International Players Code of Ethics

The Lacrosse WA supports in principle the concept of international players and their value to lacrosse. Their reputation can enhance the standing of the game in the community.

The Lacrosse WA will not favourably view matters that may bring it into disrepute within the community.

Clause 25(1) of the LWA Constitution states:

"...the Board may expel or suspend a member or affiliated club from the Association if, in the opinion of the Board the member or club has been guilty of conduct detrimental to the interests of the Association."

eg: published accounts bringing lacrosse into disrepute or any misdemeanour under the terms of the visa
