It aims to ensure that:

- Appointing Bodies adhere to the WWC Act
- Appointing Bodies create healthy and safe environments

It is recommended that all members who are placed in a position of responsibility (child-related or not) be screened prior to their appointment. Under the WWC Act, people who engage in certain paid or unpaid work with children must obtain a Working With Children Check (exemptions do apply).

A person is considered to be engaged in child-related work if their duties involve, or are likely to involve, contact with a child. Under the WWC Act, certain person/s do not require a WWC Check because they do not fit a category of child related work or an exemption applies. Exemptions may include parents volunteering in activities where their child is involved, however it should be noted that the exemption does not apply in all categories of child-related work or all scenarios (e.g when parents volunteer at overnight camps/stays attended by their children).

In the event where a members holds a position of authority or responsibility, or where a WWC exemption applies, it's recommended they obtain a Volunteer National Police Certificate (VNPC) or National Police Certificate (NPC). This is to ensure Appointing Bodies are appointing persons of good conduct and nature in the best interests of members for the association or club.

The following is to be used as a guide by Appointing Bodies to screen members as part of appointing members to positions of responsibility.

<p>Step 1:</p> <p>Recruit &amp; Select</p>	<p>a) Appointing Bodies should advertise using a position description and outline any selection criteria including requirements for a WWCC or VNPC or NPC.</p> <p>b) Prospective applicants MUST follow the process set out by the respective appointing body.</p> <p>c) Appointing Bodies should meet applicants in person. It is recommended that applicants be interviewed formally or informally and questions designed to obtain information specific to the position the applicant has applied for.</p> <p>d) Appointing Body representatives should assess candidates for reactions to particular questions, manner and interpersonal skills, see step 5 if an inappropriate response is received. It is critical that applicants are afforded every opportunity to prove their suitability for a particular role.</p> <p>e) Appointing Bodies must also ensure that applicants hold the necessary qualifications for the prospective position. For example, a coach must hold a current coaching accreditation.</p>
<p>Step 2:</p> <p>Reference Checks</p>	<p>a) Appointing Bodies are strongly recommended conduct reference checks and contact at least two referees that can attest the individual’s suitability.</p> <p>b) If applicants fail to provide referees, it is recommended that the screening process go no further.</p>

<p>Step 3:  Criminal Record Checks</p>	<p>a) Upon completion of the interview and reference checks; appointing bodies are to conduct screening checks for individuals seeking to engage in child-related work with the respective club /association.  b) Applicants MUST comply with Lacrosse WA and/or legislated requirements and obtain the necessary screening checks.  c) Appointing Bodies are to keep records of screening (ie. Spread sheet) Below is the link for the Working With Children Spread sheet.  <a href="https://workingwithchildren.wa.gov.au/docs/default-source/default-document-library/recordkeeping-spreadsheet-2015.xlsx">https://workingwithchildren.wa.gov.au/docs/default-source/default-document-library/recordkeeping-spreadsheet-2015.xlsx</a></p>
<p>Step 4:  Respond</p>	<p>a) In the event that an applicant receives a negative notice or interim negative notice, that applicant must be removed from child related work immediately &amp; the Lacrosse WA Office be notified ASAP.  b) If the applicant receives feedback of broader concern the Appointing Body can sought advice from the Lacrosse WA Office (e.g. previous conviction of fraud and the role being appointed to is the Treasurer of the association or club)</p>
<p>Step 5: Appointment &amp; Induction</p>	<p>Once the above steps have been completed a decision needs to be made on the person’s appointment and they should be offered the position, ideally in writing.</p>
<p>Step 6: Provide Support and Training</p>	<p>Ensure the person in the position is aware of the roles expectations and offer ongoing support and supervision. This includes advice and guidance where necessary and appropriate training and development opportunities.</p>
