

Return to Play – Checklist

Spectators

Checklist for Spectators

This checklist has been developed to educate Spectators in 'Returning to Play':

1. Spectators must practice social distancing rules away from teams playing and/or warming up. The 2sqm rule applies and spectators must be seated or standing at least 1.5m apart. The spaces between gatherings and groups should ensure that there is suitable distancing to prevent one gathering encroaching on another.
2. Spectators must not enter the playing field whilst teams are playing and/or warming up. As per LWA Regulations, spectators must not enter the Bench area.
3. Spectators may not approach team officials or players at any time. Should a minor require Parent/Guardian assistance they are to approach the Parent/Guardian away from the group.
4. Do not attend any games if you feel any flu like symptoms - fever, runny nose, cough.
5. Arrive to the field no earlier than 30 minutes before start time. Depart no later than 15 minutes after the game conclusion, where practicable.
6. Avoid shaking hands. Suitable alternatives include fist pumps and elbow taps.
7. Observe current social distancing requirements should you attend the clubrooms or utilise the canteen.
8. Changerooms are for players and officials only.

General Hygiene Practices:

- Wash your hands often with soap and water for at least 20 seconds - If soap and water are not available, use an alcohol-based hand sanitiser.
 - Avoid touching your eyes, nose and mouth.
 - Avoid close contact with people who are sick.
 - Stay home and seek medical treatment when you are sick.
 - Cover your coughs and sneezes with your elbow or tissue. Used tissues should be placed immediately into the bin.
-
