Lacrosse Western Australia (Inc)

Was formed by the amalgamation of the Western Australian Lacrosse Association (Men's Lacrosse) and Lacrosse West (Women's Lacrosse) on 22 July 2009.

VISION

Lacrosse WA aims to be an innovative and well recognised State Sports Association, building and developing a sports system which positions lacrosse as an inclusive, dynamic and successful sport in Western Australia.

MISSION

Lacrosse WA aims to provide leadership through the delivery of quality sports services and programs which ensure increasing participation for all levels of lacrosse (players,

President—Fran Maunton

As we approach the end of the 2012 lacrosse year in WA there are many positives to reflect on:

- The return of the men's senior team to national competition,
- Back to back national title for the senior women,
- Participation at all other levels of national competition,
- Facilitation of a club hosting a successful and well run national event,
- Nine WA lads in the U19 Australian team
- Three Officials selected for the U19 World Championship
- Two Officials selected for the European Championship
- A final series that culminated in a Grand Final Lacrosse spectacle the likes of which we have not seen before.

It is pleasing to note these successes. On a national and world stage we are doing quite well given the size of lacrosse in this state. However on the home front at local competition and local administration the year has provided many challenges.

It has been impossible for the Board to operate strategically when it was undermanned by 25% or more for more than 50% of the year. It is impossible to work strategically within the current system and balance of volunteer, employee ratio. Most of what had to be achieved during the year was achieved, the price being all Directors portfolio's being compromised by picking up tasks for areas where there was no Director, the end result being jobs that were done to a minimum standard and from the outside may well have looked like serious disorganization. I can assure you it was not disorganization, it was purely and simply overload.

LWA mission of *'providing leadership through the delivery of quality sports services and programs which ensure increasing participation for all levels of lacrosse (players, coaches, officials, administrators), and delivers national success* is under serious threat because we continue to operate undermanned. It is becoming increasingly difficult to deliver expected services and meet funding outcomes because of this.

The first order of business for the new Board will be to locate and employ a person in an executive role, whose purpose will be to support the Board in their management of the game, and help to guide us in the direction of better management and improved development.

There is an urgent need to review all aspects of lacrosse administration, development and planning, and this cannot be achieved with a volunteer management structure.

- association operations, communication and processes,
- transition rates from development programs
- retention of members
- expansion of the game
- interest in and education for all levels of coaching, officiating and administration

LWA does continue to enjoy the support of the Department of Sport & Recreation and Healthway for various strategic, operational and development programs. We are extremely grateful for the support received from these agencies in terms of guidance and finance, and acknowledge the vital role they play in our ability to deliver lacrosse to the WA community.

As indicated previously, a positive from 2012 is that WA was represented at all national competitions. Congratulations to all players selected in those team and thank you to the people who picked up coaching, managerial and officiating roles for those teams and events.

Of particular note, Congratulations to the Senior Women's state team winning back to back national titles. This highly skilled, athletic and motivated team easily outplayed all the competition, the retention of the title was never in doubt. Congratulations to Coach Geoff Goddard and his team.

Thanks are extended to Phoenix Lacrosse Club for staging the 2012 ALA City Of Cockburn Senior National Championship and congratulations on the district support you gathered around that.

I offer our congratulations to the nine West Australian lads selected in the Australian U19 team who competed at the World Championship in Turku, Finland. This arena has always been a tough one for Australia. The commitment to this program is huge and often at a time when education is a major focus. Results aside, you should be proud of your achievement of selection in the team, managing a massive fund raising campaign and participation in this world event.

The deregistration of Lacrosse Australia (LA) was finalized during 2012. Trophies in the custody of the Australian Lacrosse Foundation (ALF) have been gifted to the Australian Lacrosse Association (ALA). There remains the matter of a Development Trust Fund to be matched, which will then see the completion of the national unification process.

As always many (although not enough) people have contributed to making lacrosse happen for you during the year.

Thanks to Ellen Kennedy for continuing to manage the office and the administration tasks within.

Sincere thanks to Margaret Morley for stepping back into lacrosse administration by accepting the role of Director of Finance halfway through the year.

To the club and association board members who worked tirelessly & diligently, behind the scenes and in the spotlight during the year to ensure we all have lacrosse to enjoy in WA, congratulations and thank you.

I look forward to 2013 being a year in which all clubs and members take up the challenge of being responsible for growing lacrosse, their game of choice.

Lacrosse. Not just different. Better

Vice-President—Bill Barton

In mid February A.L.A. advised that they had negotiated an Australia wide insurance coverage for Lacrosse. Whilst this had been discussed over the last year or so, its finalisation and request for payment came as a surprise to us. To ensure that the policy would meet all of W.A.'s requirements I took on the task of wading through the various insurances that may confront both clubs and L.W.A. in our operations.

Just as I was commencing my investigations one club requested confirmation about how much the Association's Public Liability cover was as their Local Government Authority required them to have cover of \$20 million. It was one of a number issues that I discovered over the next few months. My recommendation is to lift the public liability to \$20 million for 2013 season & to get onto the renewal of this policy early to prevent having a loan repayment that we had this year. Also follow up on the Club & L.W.A board indemnity insurance for 2013.

Club Presidents were kept regularly updated with the outcomes of my investigations and it would be my recommendation that as part of our Risk Management Strategy that L.W.A. conduct an annual survey of club and Association policies to ensure that we are all adequately covered for any outcome and that the costs of any policies are competitive.

Office Manager - Ellen Kennedy

I would like to thank the Board for allowing me to perform the role of "Office Manager". It has been both a challenge and a rewarding learning experience. 2012 has been a very interesting year for Lacrosse WA. I would like to give you a brief overview of the achievements of the year.

Sponsorship:

Healthway—continues to provide much needed support with our Development strategies into schools and the community. Thanks must go to Peta Hiron for all her work in collating the Healthway sponsorship report and funding submission.

Department of Sport and Recreation. It was great to have our Sport Consultant—Kendra Koranis, who was a fantastic help to me and was always there if I needed help.

Membership:

Events

The administration meeting held in February 2012 to make all the clubs aware of their requirements will need to be more successful next year. The meeting helps clubs understand the process of membership and game scores; it has been made easier by SportingPulse.

The lacrosse results were submitted to the Sunday Times every week but some clubs did not even bother to submit the result which was very disappointing. Most results for Men's and women's was added to Facebook.

Junior Council meeting were attended and worked hard to keep the junior lacrosse players abreast of developments throughout the year. Thanks must go to Kevin McRae.

The Junior Trophy presentation night were hosted by the Bayswater Lacrosse Club and it was great to see the clubrooms full of parents and junior lacrosse players. The Senior Presentation night was held at Perth Football Club and thanks must go to Karen Mau for her last minute assistance in organising the evening and Paul Fox for his assistance with the venue.

Organisers of the Finals Series, Bayswater Lacrosse Club did a great job. The event was innovative and well organized. Thank you Glenn and all your hard workers.

Development:

A very big thank you must go to Peta Hiron for her work with getting Development Officers into schools and supporting Club Development Officers.

Communications

Under Shendelle Oliver the Association's website and Facebook page has developed into a great communication avenue, providing information to all members.

Lacrosse Centre

It has been great to see the Referee, Junior Council, Board, Club Presidents and special meeting held here at the Lacrosse centre. There has also been a meeting with DSR and Healthway convened at our Lacrosse centre. Any one is welcome to come and view the Lacrosse centre and all the trophies which are kept in our Board room.

SportingPulse was a very interesting challenge this year. The biggest problem I had this year was clubs were not adding match report information to SportingPulse and it was very time consuming adding all the details. Let's hope next year will be better.

Match reports are a good way of getting information, some clubs need input and send them weekly.

LWA Rules

The Rules committee is progressing on the combining of WALA's Rules and Lacrosse West's By-laws into a document that better reflects the operation and structure of Lacrosse Western Australia. With a concerted effort by all involved they should be in place prior to the commencement of the 2013 season.

In closing I would personally like to thank the Lacrosse WA Board members for being so supportive of me over the last few months. To Peta and Kendra, you make my life easier.

A BIG THANK YOU TO ALL LACROSSE MEMBERS.

**Department of
Sport and Recreation**

Director of Development—Peta Hiron

Lacrosse WA proudly supported by Healthway and the Smarter than Smoking message, continued its program of delivering Modcrosse to schools and community groups in the metropolitan area and to selected regional areas.

Our funding agreement with Healthway was renewed from July 2012 until June 2013. A new proposal will have to be resubmitted early next year for further funding. As part of our agreement, Lacrosse WA and its affiliated clubs will promote the smarter than smoking message, and must accept the following to provide a healthy and safe environment for its members:

- *Provide a smoke free environment in clubrooms and around the playing areas;*
- *Reduce harm from alcohol;*
- *Provide healthy food choices as a step toward promoting healthy eating and body size;*
- *Promote sun smart practices;*
- *Provide a safe environment for club members.*

Lacrosse WA addressed Healthway's target population of youth, regional areas, indigenous and disadvantaged populations. During the 2012 season our Development Officers presented approximately 750 Modcrosse sessions in 77 primary schools and 14 secondary schools in Western Australia.

Other sponsored activities included:

Lightning Carnivals:

- South of the River (Goodchild Reserve) — 7 teams: Armadale, Southwell, Rossmoyne Ardross.
- Bayswater/Upper Swan carnival 1 and 2 - Beechboro, East/West Beechboro, Lockridge, Anzac Tce, Hampton Park, Upper Swan, Rawlinson, Bayswater.
- North of the river— Carnival, 1,2, 3. (Kingsway Reserve) —6 different teams for each carnival-e.g. Neerbup, Beaumaris, East Wanneroo, Lansdale, Kinross, Hocking, Tapping, Carramar, Joondalup, Padbury, Kingsley.
- Southern Central Sport Association, (Sutherland Park Canning Vale) —Campbell, Bletchley Park, Forest Crescent, Ranford, Campbell.
- Catholic Schools Lightning carnival south of the river, (Troy Park) - 7 teams.
- Atwell College—6 teams -Success Harmony, Aubin Grove, Atwell, Jandakot.
- Warnbro carnival—Warnbro, Koorana, Safety Bay, Waikiki, Rockingham.
- Cambridge Cup carnival—Highgate, Wembley, Subiaco, Mt Hawthorn, Floreat.

Community groups:

- South Perth Fiesta Fit n Fun Day-interactive display
- World Sports Expo-interactive display
- YMCA-Active Expos-Kwinana, Bayswater, Rockingham
- School of the Air
- UWA Thrive Rehabilitation Clinic for sick children
- Edmund Rice Centre
- Wheelchair Sports Association
- School holiday clinics-UWA, Yangebup

Country and Regional Work

- Pinjarra Primary
- St Josephs Pinjarra
- Byford Primary
- Marri Primary Byford
- Kingsview Primary Australind

Student teacher/teacher support for the following educational institutions:

- Edith Cowan Joondalup – PE students
- Halls Head Teacher in-service
- Metropolitan Teacher in-service

“The Perfect Centre Draw”

By Kylie Cockman

Club Development Directors have done a great job coordinating Modcrosse sessions for schools in their catchment areas, and in some areas outside their jurisdiction. Lacrosse WA needs all clubs to actively interact with schools in their area prior to the start of the season to maximise chances of recruitment. I would like to thank all the development officers who conducted sessions at schools and carnivals throughout the year, and special thanks to those who did work outside their club boundaries to increase our exposure to the general population and to address Healthway's target populations.

Modcrosse sessions in schools are our main avenue of recruitment so clubs need more enthusiastic people to become involved, whether it is coaching, umpiring or paid development work. Coaching workshops for players and development officers are crucial to increase knowledge base and skills. I would again like to thank Glenn Morley for running the A.L.A. Club Coaching Workshop before the start of the season, and encourage all new coaches and development officers to attend this high quality course in 2013.

At a national level, the Australian Lacrosse Association recently conducted a Junior Lacrosse Development workshop with representatives from all member states—Victoria, South Australia, NSW, Queensland, Tasmania and WA. Ideas were shared, and all member states agreed it was essential to work together to grow Lacrosse in Australia. An advisory council has been established to work on some key issues which came out of the workshop, and it is hoped a plan will evolve to roll out some national initiatives.

If all clubs and states can share our successes we have a huge potential for growth and development of our game. Good luck to clubs for 2013.

"2011 Grand Final Face Off"

By Jake Cutler

Director of Officiating – Blair Fraser

Where the Director of Officiating was previously appointed by nomination of ALRA, the position is now available for any applicant.

This change coincides with work by the ALA Officiating Director, Graham Sharpe, to establish more structured organisation for umpires of Women's Lacrosse.

This year a Women's National Technical Committee was formed including Suzanne Kirkby from WA. This body will provide representation and technical advice to the ALA in regard to umpiring of Women's Lacrosse.

ALRA has long had such structures in WA and Australia.

After 2 years in the job, I hope that my replacement is better able than I was to focus specifically on the growth and stability of umpiring Women's Lacrosse in WA.

The Women's World Cup is being held next year in Oshawa in Canada. Selection for umpires for that event takes into account the performance of umpires at the recent National Championships.

In Men's Lacrosse, workshops were scheduled to enable clubs to have their 'club referees' to be instructed in the requirements and basic mechanics of refereeing, followed by a simple rule knowledge exam.

On behalf of ALRA, Laslo Tiszavolgyi again conducted an officiating course at the West Coast TAFE.

During the season ALRA WA Members attended and did coaching reports on Club and Panel Referees. This required the observation of the match, recording of faults and compilation of a formal report to the referee, explaining the rules and offering advice on how to use the various mechanics. Such work is vital in the performance and development of referees in WA.

At the national level WA officials have again been well to the forefront in the manner in which they conduct themselves and compare to referees/umpires from other states.

At the National under 15 competition, WA was represented by umpire Kellie McBean for the girls, and in the boy's competition by, and David McRae and Brayden Borbely, with Laslo Tiszavolgyi and Evan Walters assessing.

At the under 18 competition WA was represented by Bruce Banyard and John Keesing, with Laslo Tiszavolgyi assessing in the men's and Nicole McKenna umpired for the women's game.

At the Senior Competition, Women's Lacrosse umpires were Stephanie McRae, Suzanne Kirkby and Nicole McKenna.

In the Senior Men's, WA referees were Steve McRae, who was Head referee for the Final, Peter Mulcahy, Bruce Banyard and I. Evan Walters, the Referee in Chief for the Championship, and also for WA, was also an assessor, as were Ian McRae and Laslo Tiszavolgyi.

WA referees performed international duties with Steve McRae and Mitchell Walmsley being chosen for the Under 19 World Championship in Turku, Finland. Peter Mulcahy and I were chosen to referee at the European Cup in Amsterdam.

Director of Men's Lacrosse—Ian McRae

In commencing my report I would like to thank all those people who have helped and guided me through my first year as Director. Having been around for a while I was surprised at the intricacies of the position.

In planning for the season I originally envisaged the conduct of a Coaching Conference but after concerns about the lack of possible attendees opted instead to encourage the conduct of a Level one coaching course. This was held at Bayswater under the guidance of facilitator Glenn Morley with 10 participants.

To develop and expand the knowledge base and skills of all our coaches we must conduct a Coaching Conference at least bi-annually. One critical area that needs to be evolved is a skills continuum – what players need to be able to perform, what tactical knowledge should they possess and at what stage (grade) they should be able to do so. There should not be any player reaching senior grade competition without being able to catch / throw with both hands and understand about body positioning defence.

The season's fixtures saw a disjointed year – with a number of byes early in the season and it was not until after the July school holidays that it appeared to flow better.

After a tentative start in the Under 17 grade, East Fremantle determined that it was not practicable to continue fielding a team and after the first round withdrew. In re-drawing the fixture consideration was taken about relocating games to a venue where only the Under 17 teams would be playing and also the distance they would then need to travel should the players also play in a senior grade later; so a number of games were played at Preston Point and I thank the East Fremantle club for allowing it and also to those members who put the ground equipment out.

It would appear that a few minor changes to the Association's rules regarding junior teams, some years back has resulted in a negative impact on the provision of suitable numbers at the Under 17 level. The next five or so years will be difficult for this grade and will put us under pressure to field teams at the national and players to the international level.

Two applications were received from two clubs requesting permission to allow over aged players to play in the Under 13 grade. One application was received requesting an under aged player to play up. Given the circumstances of each case the Junior Council representatives resolved (on this occasion) to allow the over aged players into the Under 13 grade, under strict conditions, The one application to play up was declined in line with the minimum age policy of the Association.

With changes to school starting ages and the introduction of year seven students into high school in 2015 it is appropriate to review our Junior grading structure to ensure that we have an accessible entry levels for new members.

This year saw the conduct of the F.I.L. Under 19 World Championships in Turku, Finland and for the first time all W.A. clubs had at least one representative in the Australian Team. Although not as successful as the members had expected they all came away with a wealth of Lacrosse knowledge and many opportunities to follow up.

At an Australia level, for the first time in three years, W.A. was able to field teams in all national Men's competitions. Most heartening was the number of people who put their names forward to fill the positions of coach and assistant coach.

Following a number of issues with the separate Under 17 and Under 19 competitions over recent years the Australian Lacrosse Association resolved to conduct a two year trial by combining these two events into an Under 18 Championships.

After a late start a Western Australian team was formed and due to this the team under coach Robert Gibbs is to be congratulated for the manner in which they contested the final against Victoria and came away with the silver medal. There is a proposal to bring this championship forward to April in 2013.

The Under 15 Tournaments were conducted in Victoria and in a first all matches played on artificial turf at the Footscray Hockey ground. The impact of an unfamiliar field cannot be underestimated on young players and the standard of play suffered. Northern Thunder finished fourth and the Southern Braves were unable to continue their dominance of the past years, slipping to 6th.

In their first appearance after two years absence our senior men's team failed to penetrate strong S.A. and Victorian defences and it was only some outstanding goaltending that prevented W.A. from suffering bigger margins in their defeats. The attacking plays of all our clubs needs to be overhauled – the concept of passing around until someone gets bored and takes on three plus defenders needs to be thrown out and replaced with the 'old' cutting, picking and accurate passing and even accurate shooting. Coaches it is back to you, take up the challenge!

During the season two rule changes were implemented – The 10 second rule was removed and the F.I.L. nominated goalkeeper rule replaced our cumbersome stop / start goalkeeper replacement. The changeover was smooth and easily adopted by all players. In early October ALA adopted our recommendation that the 10 second rule be deleted from national competition and this will apply from 2013.

The standard of sportsmanship in Lacrosse, I believe, is higher than many other sports here in W.A. but we must remain ever vigilant in ensuring that our players are warriors on the field and friends off. Our sport is too small to allow petty dislikes to grow into bitter, festering antagonism.

Acknowledge good play, great goals and even better saves of both contesting teams and respect your fellow participant, for he affords you the opportunity to become a better lacrosse player.

“The Late Bar Check”

(W.A. Vs Victoria Under 18 Championships)

Bill Barton Snr

Director of Women's Lacrosse— Kellie McBean

I wish to start by congratulating all clubs and participants for their conduct and efforts throughout the 2012 LWA Women's lacrosse season.

In particular, congratulations must be extended to our Premiers – Wembley (A Grade), Wembley Rays (A Reserve) and Phoenix (C Grade).

Individually congratulations must be extended to our Fairest and Best Winners - Hannah Barnsley, Wembley (A Grade); Kate Burns, Wanneroo (A Reserve) and Maddy Koelmeyer, Bayswater (C Grade).

The Women's competition operated under a Sub Committee structure during 2012, I would like to thank the following Sub Committee members for their assistance and expertise in ensuring a smoothly conducted season:

Geoff Goddard	East Fremantle
Faye Beaman	Bayswater (Membership)
Suzanne Kirkby	Bayswater (Officiating)
Michelle Rohrlach	Wanneroo
Adele Ackland	Subiaco
Dennis Banyard	Wembley
Peta Hiron	Wembley (Development)
Linda Luff	Phoenix
Various Members	Masters

The Sub Committee met bi-monthly and discussed various issues throughout the season to ensure communication and professionalism was maintained across the women's competition.

There are various issues the women's competition needs to improve upon for next year and I look forward to working with clubs to ensure our professionalism continues to improve. A special note of thanks must be extended to Faye Beaman for her hard work in the weekly checking of match reports and the associated follow up, along with her position as liaison for Light Street Grounds. Special mention of thanks also to Suzanne Kirkby for conducting numerous umpiring sessions at clubs this season. An increased number of members sat the accreditation test this year and we have a large number achieving Club accreditation Level this year, it would be great to see many of these strive for State level in 2013 and continue to improve the standard of umpiring in our games. Thank you also to Ellen Kennedy for her expertise with Sporting Pulse and other administration duties in the office.

It was pleasing to see an increase in the number of "D" Grade players registering this season. Congratulations must be extended to the Phoenix Lacrosse Club who were able to lend their own players to other clubs to ensure "D" Grade games were played each week. The sportsmanship showed by these youngest members of our game must be commended.

During the season competitive games were played across all grades, our close results in many of the finals testament to the hard fought competition we have here in WA. For those that braved the atrocious weather we had on numerous Sunday's this season it showed a dedication to your team mates and for lacrosse in general, especially when umpiring and our club volunteers in the official's tent.

Congratulations must be extended to Geoff Goddard and his team Senior State Team who won back to back ALA National Championships this year. The team showed terrific skills and were a cut above the other competing states. Special mention to the selected players in the All Stars team (Jessica Kennedy, Hannah Barnsley, Ashtyn Hiron, Melanie Goddard, Tegan Brown and Sarah Forbes) and further congratulations to Jessica Kennedy on being awarded the Fairest and Best Medal for the Championship.

Our Under 18's girls team attended the National Championship in Adelaide and competed admirably, being more of a "development" team it is hoped that the players will have learnt from the experience and be able to compete at a higher level in 2013. WA was still represented in the All Stars team with Kira Maunton and Courtney Ackland selected.

The Under 15 Stars team participated in the National Tournament in Melbourne and fought hard all week. It was difficult for the majority of our players never having played on astro turf before, but to their credit they didn't let it affect their game and showed some great skill development across the week's games.

Thank you to our Coaches and Managers of our State and Regional Teams, without volunteers for these positions the teams would not be in a position to attend Championships. WA were also well represented at a National level with umpires attending all Championships and Tournament.

Finally I must thank Glenn Morley and his Committee at Bayswater for a fantastic Grand Final day. I have received many positive comments from players and spectators on the initiative of combining all senior men's and women's Grand Finals on the one day and I hope that it is something that with some creative fixturing we can ensure happens again in 2013.

I look forward to entering my second year as Director of Women's Lacrosse and tackling the obstacles that have appeared in our road this year. The Lacrosse WA Board has many areas to review and policies to implement between now and next season and with these in place, I hope that we can continue to present a professional and well operated competition for all members to enjoy.

"Team work"

By Kylie Cockman

RESULTS AND AWARDS—MEN'S LACROSSE

Australian Representation

Under 19 World Championship

- Scored a team-high 58 goals in 1997 to lead the Terps to the NCAA title...
- Selected to the NCAA All-Tournament team in 1996 and 1997...
- Still sits ninth in single-season assists with 94 in 1997...

Bayswater Lacrosse Club

On the field, 2012 was a season of mixed success for the Bayswater Lacrosse Club, we saw Premiership in the Men's State League and a Minor Premiership with our Division 2 men. We had teams competing albeit unsuccessfully in the Division 2, Under 17 and Under 15 Boys grand finals. Whilst we are very proud of these team's accomplishments, we struggled for success in the women's teams.

The depth across our teams was also improved this season and is something we hope to build on into next season.

Off the field I couldn't be prouder of the club and all our members for their work throughout the season.

To begin the season we saw the completion of our second phase of renovations which included a kitchen renovation and the much anticipated balcony. The major changes downstairs were the renovation of our change rooms, which have been a great addition, and made the clubrooms a home away from home for the players.

These final changes complemented the improvements from last year which improved our disabled access through the installation of the disabled toilet elevator and brought the building up to code with all current access regulations.

The renovations in the club would not have been possible without the support of the City of Bayswater and several of our sponsors in Freedom Building Company, Henley Brook Fabrication and Budget Woodcraft. We were also ably supported by the tireless work of Michael Burton, Lloyd Morley and Wayne Hollingberry who volunteered their time to assist with all aspects of the build.

To bookend the start to the season, the finals were a huge challenge for the club, especially with the extra week of finals and the combination of Men's and Women's Senior Grand Finals. As a club we were very proud of our achievements and felt the day was an outstanding success and celebration of WA Lacrosse, and hope it is repeated in future seasons.

The finals would not have been a success for the club without of the hard work of many volunteers, and I would particularly like to acknowledge the work of two in particular who were outstanding. Carole Bowland took on the role of Finals planning and Volunteer Coordinator and did an outstanding job. On the logistics side one of our newest members Brad Kirby did a great job in assisting in setting up the fields and made all of our jobs easier in running the equipment from field to field.

Along with the work of our volunteers I would also like to thank the East Fremantle and Subiaco Lacrosse Clubs for their support and generosity with loaning us equipment throughout the finals. I think the strength of community that is evident between clubs is a major strength for our association and will be a key to growing and developing our sport in the coming years.

After a season with a major focus on the field through the hosting of the finals; and the Clubroom Renovations. A major focus in 2013 will be our Junior Development and the reintroduction of a Modcrosse competition in our local schools. We will also continue our work in Ellenbrook and aim to have an Under 13 team based out there in the near future.

In closing I would like to thank my fellow committee members, coaches, umpires, referees, scorer's timekeepers, team managers, canteen staff, bar staff, groundsmen, parents, supporters and lastly players for a great season.

Glenn Morley (President)

Season Overview

2012 was a mixed year for EFLC on the field. We had success in the Ladies A Grade, who were Minor Premiers but couldn't win the big one, and the Men's Under 15s who were Premiers and Minor Premiers. Special congratulations to those two teams. Other teams made the finals but didn't progress very far. Congratulations to all players, coaches, team managers and bench officials who all contributed to the club this year.

I specifically want to mention our referees and umpires who officiated during the year. Without your efforts we would have not enjoyed our matches as much and we would have lost points in State League. Special thanks go to our Men's Panel Referee, Mitchell Walmsley, who, even though not a 'Blue Boy' did a great job for the Club.

The one really dark spot on the season was the need to withdraw our Under 17 men's team in June. This was because of lack of numbers contributed to by long term injuries to key players. We must work hard to ensure that we are able to field teams in all grades in future years.

President's Report

As I mentioned above, 2012 was mixed year on the field. However off the field I believe great strides were made. Elected President, Peter Cann introduced many changes to the way the Club operated, resulting with much more efficient and effective structures and processes. I took over as President when Peter had to resign. He and I have been ably supported by a strong and enthusiastic committee who have implemented many changes and achieved great success in the process. I thank them most sincerely for their contributions to the club.

Some of the major initiatives are:

- Use of online registration and payment systems
- Introduction of 'cost centres' and EFTPOS facilities
- Upgrading of our merchandising processes
- Introduction of 'Blues Bucks' as rewards
- Development of sound working arrangements with the EF Town Council and our co-tenants, the EF Cricket Club
- Appointment of a sub-committee with the Cricket Club to consider extensions or renovations to our club rooms
- Introduction of a Modcrosse/Lacrosse Festival to be played at our ground on Wed evenings through Term 4 this year and Term 1 next year.
- Development of a club strategic plan.

As a result of these initiatives there were a number of highlights which I want to mention. For the first time in my long experience with EFLC, all fees (including many 'back' fees) were paid by the end of June. We also had a better handle on the profits being accrued from the bar, canteen and merchandise sales. This gave us confidence that we were in a sound financial position for the year.

The modifications to the club rooms are part of a longer term project involving the Dept of Sport and Recreation, the Town of East Fremantle, the EF Cricket Club and EFLC. It involves the Cricket Club and us agreeing on what we want in the new clubrooms, having concept plans drawn up, obtaining costs, getting grants from DSR, approval from the Town of EF and then going ahead with the changes (if we can afford them). To date we have appointed a subcommittee, chaired by Peter Cann and with Dave Miller on it and Ann Gosling as secretary along with Cricket Club representatives and a number of crucial meetings have been held and plans are moving ahead.

Strategic planning is an integral component of club administration. Strategic planning helps to outline the mission, goals and direction of the club to assist in achieving common goals and objectives as set by our membership. Strategy also helps to outline the steps the club will take to achieve its mission. Our first Strategic Planning session was held on the 30th September 2012. Dave Miller has taken a leading role in this and the club should be indebted to him for his efforts and enthusiasm.

The Modcrosse/Lacrosse Festival is an initiative to recruit more juniors in the 9 to 15 age group. Approaches have been made to primary and high schools in our area with a view to attracting potential new players to our Club. Initially we are hopeful of recruiting 30 plus new players for 2013, however our longer term objective is for many more than this in future years as we gain more experience and develop a better 'product' to sell to school children. We are looking to senior players to help out with coaching and refereeing on the Wed evenings. Bev Leavy has done a great job with this project.

Sponsors of our club are vital in helping us keep our fees to members to a reasonable level and still undertake necessary development work. We are fortunate to have many generous supporters who we acknowledge and thank for their interest.

Volunteers are the lifeblood of this club and we are fortunate to have a great band of them at EFLC. There are too many to mention individually however I take this opportunity to thank them for their efforts in 2013. We endeavoured to thank as many as possible recently with an evening cruise on the river. This was a very enjoyable event and special thanks go to Chris Hockey who put his boat at our disposal. Two of our stalwarts, Anne-Marie Hall and Charlie Wemyss, who have given great service to the Club in many capacities and over a long period, were awarded Certificates of Merit at the windup.

As can be seen, there is a lot happening at EFLC and many opportunities for people to get involved. I ask all those who helped in 2012 to do so again in 2013 and those who perhaps are still thinking of getting involved to contact any of the committee and I am sure we can find a suitable job. This applies to parents of players, as well as those more actively involved.

Don Rudderham (President)

Masters Lacrosse Club

After five years of playing with Subiaco "A" Reserve (2007-2011 inc) it was exciting to hear that for season 2012 the Subiaco club now had enough players to compete 'on their own' in this division.

With the Master's mission being -

"To encourage the participation of women of all abilities, over 30 years of age, to play women's lacrosse regularly for the promotion of fitness and improvement of general health; and to support and further develop the game from the grassroots level"

It was indeed satisfying that our Mission Statement continued to be fulfilled; however with Masters once again having insufficient numbers to compete in the 2012 season as a 'stand-alone team' new 'team-mates' had to be found! It was then that Wanneroo and Masters were in discussions, and with neither being able to field an "A" Reserve team in their own right, a combined 'Masters/Wanneroo team was formed.

Masters and Wanneroo players wore their own shirts with black shorts, which did not cause any recorded problems with other teams.

Twenty two players took to the field over the 12-weeks of the round-robin matches, with ten from Masters and twelve from Wanneroo, and whilst some disappointing aspects marred the 2012 season the Masters were pleased to be able to continue to meet their objectives as per their Mission Statement, i.e.

- *To meet together for competition and social interaction at a local and State level, with the emphasis on participation, fun and friendship.*
- *To actively encourage increased participation, enthusiasm and improved skills in other lacrosse players.*
- *To act as role models for players, officials and administrators.*
- *To initiate, support, assist with and promote the activities and programs of Lacrosse WA and other lacrosse associations as appropriate.*
- *To conduct activities in the best interests of women's lacrosse and good sportsmanship.*
- *To represent women's lacrosse in Masters Events.*

The role of the State Association is critical to the on-going development of the game, and Masters recognize and thank Fran Maunton (President) and the Lacrosse WA Board for their hard work and commitment to the sport. Whilst it is acknowledged that there are occasions when conflict in the sporting environment is inevitable it is encouraging to know that Lacrosse WA actively enact sanctions in instances where deemed appropriate and necessary for the good of the game.

The highest goal-scorers for the Masters/Wanneroo team were Jo Rosso (Masters) 27 goals: Meg Burns (Wanneroo) 16: Sian Owen (Masters) and Georgia McEwan (Wanneroo) 8 goals. It was exciting and commendable that Kate Burns (Wanneroo) was named LWA's Fairest & Best "A" Reserve player.

Masters ended the season with a 6 loss: 4 win: 2 draw result, resulting in a 5th place finish with 10 points. Congratulations are extended to Wembley Rays and Wembley Dolphins for their well-fought final.

As in previous years for the Masters players it's not just about 'playing the game,' and it's not just about 'winning or losing', it's about sharing the enjoyment we get from catching up with each other every week, maintaining at least 'some' level of fitness and staying involved in the sport for as long as we are able, the success of which we shall continue to celebrate – *"pretty in pink, wicked in uniform!!"*

Fiona Clark (President)

Phoenix Lacrosse Club

2012 was a monumental year for the Phoenix Lacrosse Club. In February we took possession of a new clubhouse at Goodchild Park in Cockburn, thanks mainly to the foresight and efforts of Glenda Magee. President **Colin Broz** maintained the healthy relationship between Cockburn Council throughout the year. The clubroom was completely repainted and furnished by club members.

At last we had our own bar (run by **John Kelly**) and kitchen (run by **Rhonda Robinson** and **Pat Blair**).

Whilst our Club rooms are not the most decadent, they have an "old fashioned Lacrosse Clubroom charm" that most other clubs enjoyed throughout the year.

Functions and events:

On the 28th of May Phoenix hosted a Modcrosse carnival attended by 110 kids from 5 local schools. This was a huge success in terms of recruitment.

In June we hosted a fundraising night for Miles Blair (U/19 Australian team).

In August we held a 1960, 70 and 80's reunion for our past foundation clubs - Southern Districts, Fremantle, Burrendah and Melville - which was a brilliant night attended by over 120 people. Grant Moir was instrumental in setting this up. Yahih Kittle produced a magnificent array of Asian foods for the night.

In September we held our AGM and windup with a family day at the clubrooms which included slippery dips and bouncy castles for the kids.

In October the 2012 National Senior championships were held by Phoenix. Our aim was to make "some" money that we could channel into future junior development. **Fran Maunton** and **Glenda Magee** were the catalyst for the event. Family "Clans" made up of the **Moirs**, **Blairs** and the **Wills** put their shoulder to the wheel along with **Colin Broz**, **Linda Luff**, **Steven Hill**, **Darren Grayson**, **Jeanette Pether** and finally a super human effort by **John Kelly**.

Many other club members contributed particularly the Junior Parents and even the young kids.

Equipment: Everything you see in the Goodchild clubrooms was acquired in 2012, right down to the cups and saucers. We started from scratch—Fridges, chairs, tables, TV's, kitchen equipment, etc were all purchased or donated this year. We also managed to acquire new uniforms for our senior women and junior boys. Next year we hope to purchase more playing equipment for our junior recruits.

Finances:

Despite significant capital expenses (Everything you see in our new clubrooms we have had to purchase, right down to the cutlery) our Club made a modest profit.

There are 3 main elements that made this occur

Firstly, "Phoenixers" are very frugal. If they cannot afford it, they will make it, borrow it or donate it.

Secondly, "Phoenixers" are very social. Monies raised from our "social events" kept our head above the water.

Thirdly Phoenix has a culture of paying their fees when they fall due. If this positive culture had not been in place, Phoenix would have disappeared a long time ago, as our club has not had a bar or kitchen for many years.

Teams:

Phoenix had a successful year on field; the Club played in three grand finals and won two junior flags. In 2012 we identified that our Under 13 boys team would only have 4 players (including one girl).

Grant Moir, **Darren Grayson** and **Luke McCallum** quickly set about hitting all the schools in our local area; by the end of 2013 we had 20 players.

This team (with sixteen 1st year players) went on to win the grand final, which was an extraordinary fairy-tale.

Our Under 12 girl's team (s) was once again the main stay of the competition. **Gerard and Annabel Wills**, along with **Roxanne Leavy** ensured that the future for our Under 16 girl's team was assured.

Many of these players will graduate to Under 16's in 2014.

Kira and Fran Maunton managed to "blood and blend" many of these smaller girls in the Under 16 team. They also ensured that each week the Phoenix team never won by a large margin in this grade despite the overwhelming strength of the team. This was a credit to their sportsmanship. Despite for once having "the boot on the other foot" they never drove it home.

Our Under 16 girls went on to win the Grand final.

Our Men's Division 3 team of old stalwarts scrapped through to the Grand final only to be beaten in over-time. As testament to the goodwill the team showed all year, every player made the effort to come to the presentation and applaud Wembley for their magnificent grand final win.

Our State league team once again struggled to score and failed to win a game for the 2nd year in a row despite restructuring our coaching staff. Special thanks to Travis Roost and Dave Robinson for their efforts coaching the team in 2013.

The Future:

State League: To date they have won less than 6 games in the past 10 years. Sadly this history has taken its toll on our younger players. There would not be too many players from other clubs that would keep coming back with a record like that. Despite the lack of success, some of our young players keep coming back week after week. Our Club needs has struggled to address this situation.

The competition within Western Australia has dropped off dramatically, nowhere was it more evident than in the Nationals, where our State came perilously close to being beaten by the Presidents team. Our State's, in fact Australia's rapid decline, can only be reversed by having healthy competition at a local level. Lopsided results have seen many players leave the game, whilst some players from the dominant clubs appear to be content to play in the lower grades, rather than migrate. Perhaps it is time to starting importing more talented International players to raise the tone and skill of our game locally? At this stage Phoenix are still trying find one other coach to restructure their coaching staff around **David Robinson** and **Todd Whisson**.

Division 3: This grade has become a very important grade to our club. We have found that this grade encourages men in their late 30's and 40's to remain active within the club. Men of this age are better placed to have a bigger impact on the club structure, culture and organization. Division 3 also allows our club to introduce the fathers (A reserve...the mothers) of new juniors to become involved in the game. Perhaps Division 3 (or A reserve in women's) is the most important grade within WA Lacrosse as it encourages involvement by people who are more likely to contribute to the welfare of the game as a whole.

Junior Boys: Phoenix ambitiously plans to increase the number of Under 13 teams we have to two. We have seen the on flow benefits when Wanneroo had this sometime ago. Phoenix also plans to have an Under 15 team next year. Under 17's will have to wait until 2014/15.

Senior Women: Our A Grade ladies narrowly missed their first ever Grand final appearance by one goal to East Fremantle. Given most of our players are still around 18/19 they should give a good account for themselves. **Jen Kerford** has been elected the coach for Phoenix in 2013.

Junior Girls: Phoenix has had two Under 12 girls' teams for a few years now. We hope to field two in 2013 again and our Under 16's should be well represented.

Individual honours - 2012:

Miles Blair - U/19 Australian Team that competed in the Under 19 World Series in Finland.

Ashtyn Hiron, Tegan Brown - Australian Senior Women's All-star team.

Ashtyn Hiron, Tegan Brown and Caitlyn Ryan - LWA Women's All-star Team.

Caitlyn Ryan, Tegan Brown selection in the Senior Women's Australian Squad.

Kira Maunton – Australian U/18 Women's All-star team.

Jacqui Manning, Ally Luff, Risa Wangpen - State Women's U/18 team.

Logan Robinson and Michael Vass – State Men's U/18 team.

Emily Wills, Shannon Robinson, Jessie McLarnon and Cassie Palmer - LWA U/15 Flames Team.

Cameron Blair (Secretary)

On field highlights:

Women's "C" Grade made the Grand Final.

Men's Division 2 , Women's "A" Reserves and U17 Men all made preliminary finals.

U13 Boys made a semi finals.

Modcrosse grew from 4 members in 2011 to 18 member in 2012.

Men's State League team continue to improve under coach Gavin Leavy just missing out on finals by one game or percentage.

Gavin Leavy, Ben Thompson, James Court and Isaac Cahill all made the U19 Australian team, with Ben being selected as one of the team Captains.

Gavin Leavy and Robbie Gibbs coach statements.

Women's games being held at Rosalie park.

Off field highlights:

Registration Fun day - Thanks to Jenny Cahill, Matt Christianson, Pat Cahill for planning and implementation.

ANZAC day Lacrosse match.

Successful "Supporters & Friends Weekend "- thanks to Ian Toy.

Success future of the club meeting.

Strategic recruitment plan being development.

Club news letter - first news letter has been sent out - thanks to Anna Forrest.

Junior windup.

Senior windup -thanks to Karen Long and Adele Toy.

200 club raised \$5000 -Thanks to Bill Barton Snr.

Social:

Regular players dinners - needs to be more input.

Junior and Senior wind ups where huge successes - which we need to build on.

Financial Systems:

After improvements in 2011 we let ourselves down slightly in 2012 with the main issues being the initial processes when transactions are being performed.

Credit card machine still making it a lot easier to receive payments - setting up the tracking is the issue.

Communication:

Improvements were made in terms of how the club used sporting pulse as a central database of current members, there is still room for more improvements.

Need multiple methods of communicating with members currently methods of using Facebook and email is not achieving 100% coverage.

News letter.

Initiatives implemented in 2012:

Club paid for a 2nd DO officer to go to schools.

Purchase and installation of TV with SJFC.

Purchase of new State League and "A" grade uniforms, to be used in 2013.

Other key events in 2012:

Subiaco Ruby Club left Rosalie Park.

Subiaco Cricket Club left RSA and move social activities to College Park Nedlands, but will still use the fields at Rosalie.

Initiatives for 2013:

Strategic recruitment plan - thanks to Brian Christianson, Anna Forrest, Andrew McTaggart, Tim Chaney

Online registration - thanks to Doug George

Online payment through sporting pulse - thanks to Doug George

Club training camp in April 2013 at Ern Halliday - thanks to Andrew McTaggart

Working with Subiaco Soccer Club to co-ordinate fixtures so both clubs do not play on the same Saturday, which will free up parking space and reduce general congestion.

Looking into sourcing equipment for members and junior development.

Challenges and opportunities for 2013:

Ensuring that the council follows through with renovations of club rooms

Improving on field performance

Improving social culture

Volunteers:

I would like to thank all the members who volunteer during 2012, these included committee members, coaches, team managers, scorers, umpire co-ordinators, umpires, canteen works, development officers. It takes a lot of work to run this club and always remember many hands make light work (which is a bit hard with a small club).

I would like to especially thank Julia Pearl and Lisa Farrelly who have served on the committee for 5+ and 2 years respectively.

Tom Cahill (President)

2012 was another successful year for the Wanneroo Men's teams.

Wanneroo State league was a changed team this year with a new Coach, new uniforms and a number of first year players stepping up into positions vacated by core players from the previous season. We hope this transitional period of change will lead to a successful future for our State league side in the coming seasons. Whilst the division 2 side was our only team to win a premiership we remained competitive and finished the season with good results in our other senior teams.

The Wanneroo Junior teams have also represented the club well and are a welcome reward for the hard work put into developing the Modcrosse club over the past few years as the players filter through into junior lacrosse which is bolstering our junior team numbers and providing a promising future for the club for years to come.

Nathan Clay (President)

Wanneroo Women's Lacrosse Club

Wanneroo Women's lacrosse had an influx of new players into our junior team and for the first time in several years we fielded our own team. Unfortunately they were knocked out of finals but with them all set to come back next year, our C Grade team look good to improve on that standing.

A reserve played in a combined team with Masters this year. this was due to lack of numbers and inexperienced juniors who weren't able to play in our senior teams this year. Our numbers look promising to field our own A reserve grade side for next season.

The Wanneroo A grade team had a competitive season but were again knocked out in the semi finals this year, we are hopeful that the team will be better placed to be more competitive in next seasons finals series.

Having 2 home games at Penistone was beneficial for us retaining player interest as well as local awareness of lacrosse. The new players and parents also greatly appreciate this.

We would like to thank our team coaches, managers and bench officials, along with our regular weekly umpires. Wanneroo believe in only sending out umpires who are capable and this means the majority of our umpiring roster is completed by 5 or 6 individuals.

Wanneroo once again had strong representation in state teams and representative teams:

Kerri McEwan- U15's and U'18's representatives

Georgia McEwan- U15's and U'18's representatives

Sharon Muffett- U15's representative

Kate Burns - Club and Association Fairest and Best

Tammie west - Club Fairest and Best and Senior State Team representative and 2012 National Champion

Julie Mau- Coach U18's State Team, Senior State Team representative and 2012 National Champion.

Karen Mau

The past season has been another exceptional year for the Wembley Lacrosse Club.

Our teams again had a very successful year. Winning Minor Premierships and Premierships in various grades of the Men's and Women's competitions. Again this is a reflection of the amount of time and effort that has been put into these teams by a very dedicated group of Coaches, Managers and Bench Officials.

We have seen our numbers grow in Modcrosse and junior grades thanks to the effort of a small band of dedicated volunteers. However we need volunteers from the senior members of the club to help in the areas of coaching, managing and officiating at junior level to keep our junior teams growing. Remember without these teams we will not have a Club in the very near future and we cannot rely on these same small group of people year in and year out to see us continue our success.

The success we enjoy on the field does not just happen. There is a second team of people at Wembley that work behind the scenes to make us a very successful and strong Club. Committee members, canteen and bar staff, our groundsman and involved parents. My personal thanks to all these people for the time and effort that goes into getting all our teams on the field on match days.

Next year Wembley Lacrosse Club will be celebrating its 75th anniversary. We are planning several events during the coming year. It will be a great opportunity for past and present players to get involved in the social side of the club and share many memories and renew some lost friendships.

Mark Bowman (President)

Kuljak Lacrosse Club

Kuljak held their Annual Breakfast at Hillary's Boat Harbour in March where members and their partners listened to our special guest speaker, Courtney Ackland, recipient of the 2011 Kuljak Youth Sponsorship Grant, spoke of her experience at the U19 Women's World Championships held in Germany last year.

At our AGM in April, the Kuljak Youth Sponsorship Grant was renamed the "Whiteman Youth Sponsorship Grant". The recipient for 2012 was Miles Blair of Phoenix for being selected in the Australian U19 Men's Team that competed in the U19 World lacrosse Championships in Turku, Finland. Relatives/family of Kuljak members are eligible to receive this grant when selected in a representative team.

Our Annual Dinner was held in late August at the RAAFA in Bullcreek where George Halleen, Chairman of the 2002 World Lacrosse Championships Organising Committee, was our guest speaker and helped us to celebrate that great occasion.

The 2012 All Star Aged Team were:

Goals - Allan Stewart;

Point - Col Mounsey; **Cover Point** - Ken Stewart; **3rd Man** - Bob Ramsay;

L Def Wing - Doug Killick; **R Def Wing** - Bob Pierce; **Centre** - Brian Griffin;

L Attack wing - Bob Taylor; **R Attack Wing** - Don Rudderham;

3rd Home - Don Kidson; **2nd Home** - Roger Smith; **1st Home** - Malcolm Howe.

The 2012 Kuljak Medals for MVP in the Men's State League and Women's "A" Grade Grand Finals were presented to Jesse Bowland-Curtis from Bayswater Lacrosse Club and Hannah Barnsley from the Wembley Lacrosse Club. This is Hannah's second occasion in winning the Kuljak Medal.

The next annual breakfast will again be held at the Hillary's Boat Harbour on Sunday 24 February 2013 with the AGM scheduled to be held in April. The position of President, Vice President and Secretary need to be filled.

Membership of the Kuljak Lacrosse Club is open to everyone involved in the sport and we welcome new members of all ages.

President: Doug George

Vice President: Ian Misich

Treasurer: Ian Toy

Secretary: Peter Salmon

Committee Member: Peter Smirk

A.L.R.A.—W.A.

ALRA WA is languishing and membership is at a critical level.

Since my involvement with ALRA began some 12 years ago, there has been a continual ask of clubs to fulfil their obligation as per the Association Rules to supply members to ALRA to serve as referees. In fact that is how my involvement initially began.

ALRA members have run courses to get people endorsed to referee and spent countless hours going to games to mentor those who take on the duties of officiating each week on behalf of their club in the games that ALRA Panel Referees are unable to cover due to our lack of numbers. Many of those that do the job of officiating each week are not endorsed to do so – that is they have not attended or passed any of the courses run, and others are not prepared to heed advice offered when we attend their games to view their on-field performances.

Players never seem to lack in offering criticism of the performance of referees each week, yet many of the accredited referees that make up ALRA WA have had National and International experience. ALRA WA's membership level has been stagnant for years. Too much reliance is being placed on too few to keep performing when their bodies are getting older and finding it harder to endure the rigours of officiating at the top level. In most countries the average age of a referee would be 30 to 35. In Australia that age would be closer to 45 to 48.

We are in no different a situation to any other level of the Association. There are too few willing to put up their hands (to do the work), but never a shortage of those willing to criticise. No doubt we will continue on for better or for worse for our love of the game.

It is testimony to me of the state of the game in Australia and why we are languishing behind the leaders at International level.

But for the game to prosper needs a more pro-active approach from those involved in playing the game at club level and especially those who are considering putting their gear away so they can simply sit on the sideline and continue the cycle.

Steven McRae (President)

Lacrosse W.A. Foundation

The Lacrosse WA Foundation (LWAF) was established by the Western Australian Lacrosse Association on September 1990, when funds raised from the mammoth task of organizing and conducting the 1990 World Series, in Perth, were put aside for the future of WA Lacrosse.

A steering committee prepared a discussion paper outlining the role, structure and composition of the LWAF and the inaugural meeting of the LWAF was held on July 1, 1991.

It is still worth recognizing the incredible amount of work that the small W.A. Lacrosse community have put into the organizing of both Men's World Series and Women's World Games that have been held in Perth

Many years have passed since, with many of the original Directors being involved until 2011. Special thanks should be given to the outgoing Trustees - Barry Groves, Graham Rose, Ian Misich and Roger Smith for their many years of service to the LWAF.

In 2012 new Trustees (Steve McRae, Michael Ferguson, Cameron Blair and Murray Gates) were appointed.

Under its foundation documents, the LWAF can only deal with proposals submitted to it. In 2012 two submissions were submitted, considered and both approved for financial support.

The Bayswater Lacrosse Club acquired a **radar speed gun** that has been used at the Grand final series, various lacrosse sessions and by the Phoenix Lacrosse Club at their junior windup and during the Senior Nationals to promote the game.

Ian McRae submitted a proposal for a "Best" Lacrosse photograph competition with a \$500 prize/grant to be provided to the winner. Ian identified that the Western Australian Lacrosse community did not have a catalogue of images to be used for various promotional activities. This year the winner of the competition was Kylie Cockman.

The deadline for proposals to be submitted to the LWAF for the 2013 season is the 15th of January 2013.

The rules, policies and guidelines for submissions can be found on the Lacrosse WA website.

Yours in Lacrosse

Cameron Blair (Chairman LWAF)
