

LACROSSE WA ANNUAL REPORT 2014

VISION

Lacrosse WA aims to be an innovative and well recognized State Sports Association, building and developing a sports system which positions lacrosse as an inclusive, visible, dynamic and successful sport in Western Australia.

MISSION

Lacrosse WA aims to provide leadership through the delivery of quality sports services and programs which ensure increasing participation for all level of lacrosse (players, coaches, officials, administrators), and deliver national success.

Lacrosse WA proudly sponsored by

Department of
Sport and Recreation

PRESIDENT'S REPORT

This year saw a shift in focus by LWA from representational lacrosse to that of recruitment. For a long time now, many clubs have been struggling to field full teams without the assistance of players playing up a grade or two. At our very first meeting of Club Presidents this year, there was a unanimous vote for focusing on recruitment. To that extent, the Board of Lacrosse WA held a strategic planning session, from which came the vision for lacrosse in WA, and that is:

“Lacrosse is the fastest growing sport getting ready for the Olympics”.

This is a lofty ambition, and one that sets our sights very high, as it should. Underpinning this vision, there are five strategies, namely:

1. Marketing, promotion and branding
2. Sponsorship
3. Development
4. Professionalism
5. Operations

We hit the ground running with our first strategy, when we held the Gala Opening of the 2014 Lacrosse Season at the Royal Yacht Club in Nedlands to celebrate not only the upcoming year but also the outstanding successes at National level from the previous year. We then ensured that all games results were published in

the Sunday Times and Monday's West Australian and also posted to LWA's Facebook page each night to keep members updated.

The Department of Sport and Recreation and the Department of Health continued their great financial sponsorship of this game at a state level with many clubs also getting local business sponsorship. This has allowed us to support membership growth by covering the costs of the Development Officers who can go out to schools and run clinics and to also improve the administrative support at the LWA office.

Our main drive on recruitment happened through the great development program run by Peta Hiron and our Director of Development, Grant Moir. Together, they have seen a 20% increase in player numbers, following a careful analysis of actual players by grade and excluding players who play up. This is a fantastic result that we look to build on next year.

In our Junior Development, we saw great innovation, with the second year of trial development of the U11 competition with four clubs, led by Phoenix, and supported by Subiaco, Bayswater and East Fremantle. Judging by the response from players and parents, it has been an overwhelming success, and a logical progression from Modcrosse to boy's 13's and girl's D Grade.

For our Senior Mens and Womens, it has been a mixed year, with some clubs fielding strong sides in all grades and others

struggling. However, pride in the clubs remains strong and the end of year finals were a great success, and a fitting tribute to the men and women of the East Fremantle Lacrosse Club. One of the highlights of the finals was live video streaming of the finals onto YouTube, which made viewing of the game accessible to many around Australia and the world. We also welcomed the Singapore Lacrosse Club to our shores during the club finals, creating a nice international atmosphere for the players and supporters.

The highlight of the year for me was the U15 National Lacrosse Tournament held at Success Regional Sporting Facility. It was a wonderful example of a well thought out program, innovative education programs and a fantastic setting for girls and boys to play lacrosse. I want to personally thank Fran Maunton as Vice President LWA and Tournament Director and Annabel Wills, LWA Director for Administration for an exceptionally well run tournament and for their tireless efforts in making this an event to remember by all. The support that came from the City of Cockburn was remarkable and LWA looks to foster the growing support for the game in this rapidly growing region of Perth.

Next year I want to keep the focus on recruitment and growth in lacrosse, particularly at the junior level and continue to look for ways to make the game exciting to all the players and supporters so that they tell their friends about this great game.

Finally I want to thank the Board for all their efforts this year and to the LWA office, ably run by Roxanne Leavy, who provided exceptional support to me, in my first year as President of Lacrosse WA.

Thank you for the privilege of leading this sport, and as I said at the SGM in February this year, I am here to:

1. Grow membership across all clubs,
2. Listen to the needs of clubs and to serve them as best as possible
3. Build on the great pride within the clubs and its members to promote the game to a wider audience.

Andrew McTaggart

VICE PRESIDENT'S REPORT

U15 Nationals Championships

Hosted by Phoenix Lacrosse Club on behalf of LWA at Success Regional Sports Centre.

A total of 17 teams participated in the competitions, 7 boys and 10 girls' teams, including an ALA President Team in each competition; and a team of 30 Officials managing the games.

Generous funding and facilities provided by the City of Cockburn and the WA Department of Sport & Recreation enabled us to contract administration support and work toward implementing several initiatives approved by the ALA. Initiatives which included expanding the Welcome Function to include all participants, host the Opening Ceremony the evening before the commencement of competition and introduce Education and Social programs which were developed to facilitate learning, social interaction between teams and lift the atmosphere and vibrancy of this event.

The overall preparation and programming incorporated the use of a specific web site, social media and Team App as a means of communication with everyone involved, in addition to live streaming several games and each of the Grand Finals in full, meant that people in the competition and all over the world could be almost instantly kept up to date with the results.

As the country's biggest national event that aims to provide opportunity for as many young people as possible to participate, we/LWA felt there were several aspects that are important to incorporate, improve and expand:

1. Expand participation from within Member States and overseas as much as possible
2. Maintain a participation and development focus among players, team staff & officials
3. Incorporate opportunity to meet and social with opponents.
4. Incorporate learning that will support these players in life, and especially if they choose an elite pathway.

5. Make use of current technology to make everyone's experience better, provide opportunity for worldwide viewing and expand promotion of the game.
6. Make use of current technology to improve ours, and future organiser's ability to secure commercial funding.

Codes of Conduct

Some serious complaints about player and spectator behaviour during the season gave cause for us to revisit the Codes of Conduct, their relevance and implementation. Resulting from this, the Board provided updated copies of the Codes of Conduct to each club, sufficient to provide each of their members with a copy and urged clubs to both have these on hand for parents, supporters and new members and ensure the active adoption of them within their club philosophy.

Further support resources provided were enlarged copies of the Codes of Conduct for display in club rooms and A frame signs for display at home grounds reminding all that *'These are kids, This is a game, The coaches are volunteers, The officials are human, This is not the FIL World Cup'*. Our hope is that actively promoting these will remind everyone that the primary outcome of participating in sport is enjoyment for everyone concerned.

Fairest & Best Voting

A review of the recording and process of Fairest & Best voting was conducted mid-season, aiming to ensure that the process is manageable for all and recording of the information is confidential. This has required some alteration to age old ways of doing things, but in the interest of ensuring confidentiality and ultimately prestige for the resultant awards, members and officials are encouraged to embrace them and/or offer constructive assistance to further improve the process.

Policy Statements

There were several instances during the year that highlighted a lack of process or knowledge of how specific tasks and events were expected to be managed. Things like the Junior Council, Life Member Review Panel, Finals Hosting etc lack a clear idea, or written policy of what is expected from all parties in terms of minimum standards and organisation. As a result it has been recommended that within the Vice President's role, review of the following be undertaken to provide draft Terms of Reference:

- Junior & Senior Lacrosse Councils
- Life Member Review Committee – Submissions Review
- Presentation Functions - Junior & Senior
- Finals Hosting
- Nationals Hosting

The expected outcome being that LWA ultimately has a standard documented set of instructions so that all parties involved are clear about what is required of them.

Water your dreams with optimism and solutions and you will cultivate success.

Always be on the lookout for ways to turn a problem into an opportunity.

Always be on the lookout for ways to nurture your dreams.
Lao Tzu.

Fran Maunton

DIRECTOR OF ADMINISTRATIONS REPORT

What an exciting year the Administration team has had this year.

First and foremost the team would like to make special mention of Ellen Kennedy, whose dedication to Lacrosse in WA over many, many years has been amazing. Thank you Ellen for all of the time and effort that you have put into the game of Lacrosse. Thank you for the time that you spent imparting your knowledge to others in the office. We know how much you love the game and you have been missed from the Administration team.

Secondly thank you to Roxanne Leavy and Jamie-Lee Bartle who have been tirelessly working on raising the bar in terms of the services that the Lacrosse WA office provides. From the organisation of the special events to the day to day running of the competition. Your work is greatly appreciated.

This year has seen us successfully obtain funding from DSR for the ICT project which has enabled LWA to purchase equipment to help us progress and keep up with technology. Computers for the office, tablets for game scoring and live streaming equipment have been part of the funding scope.

Lacrosse WA have also engaged the services of a web designer to revamp and create a new website for our Association. A small group of members are working with the designer to create a website that is not only informative and easy to use, but creates an exciting platform for Lacrosse WA to promote the sport of lacrosse to the West Australian community, Australia and

world-wide. We hope to have the new website rolled out for the beginning of the 2015 Season.

We have undertaken a Board Evaluation project with the assistance of DSR with the aim of better understanding the roles and responsibilities of the Board. Implementation of the outcomes of this evaluation have begun.

We have also progressed through the Constitution and Strategic Plan review projects and, following extensive consultation in the new year would see these processes completed in the first half of next year.

The final project for the LWA office is the development and documentation of policies and procedures. This project should also be completed early in 2015.

The ongoing aims for 2015 for the office are to continue to provide high quality, timely, professional and friendly services to the lacrosse community of WA and to provide the ongoing support to the Board Directors to facilitate the Board being able to operate at a strategic level.

Thank you for another great year of Lacrosse and we look forward to working with the WA lacrosse community in 2015.

Director of Administration and the Administration Team

DIRECTOR OF WOMEN'S LACROSSE

I wish to start by congratulating all clubs and participants for their conduct and efforts throughout the 2014 LWA Women's lacrosse season.

In particular, congratulations must be extended to our Premiers – Wembley (A Grade), Bayswater Green (A Reserve) and Subiaco (C Grade).

Individually congratulations must be extended to our Fairest and Best Winners – Jessica Kennedy, East Fremantle (A Grade), Kate Burns, Wanneroo (A Reserve) and Maddie Koelmeyer, Bayswater (C Grade).

The Women's competition continues to operate under a Sub Committee structure and I would like to thank the following Sub Committee members for their assistance and expertise in ensuring a smoothly conducted season:

Faye Beaman	Bayswater (Special Projects)
Suzanne Kirkby	Bayswater (Officiating)
Bev Leavy	East Fremantle
Linda Luff	Phoenix
Angie Somerville and Karen Long	Subiaco
Karen Mau	Wanneroo
Dennis & Sally Banyard	Wembley

The Sub Committee met bi-monthly and discussed various issues throughout the season to ensure communication and professionalism was maintained across the women's competition, reporting back to the Lacrosse WA Board.

There are various issues the women's competition needs to continue improving upon and I look forward to working with clubs to ensure we keep striving for excellence. Over the last few

seasons the Women's Sub Committee have dealt with mainly operational issues and it is a goal for 2015 for us to work on a number of global women's lacrosse issues to ensure our future survival.

The Women's Sub Committee is appreciative of the work undertaken by the Junior Lacrosse Council this season in taking the D Grade competition from strength to strength. Numbers in this grade continue to grow and all clubs should be congratulated for their efforts in recruitment and retention. The sportsmanship showed by the youngest members of our game must be commended. Their season culminated in an end of year presentation which was enjoyed by both players and parents.

In season 2014 we welcomed the addition of two extra A Reserve Teams, this widened the competition to nine teams which created a small fixturing headache. To ensure all teams completed two full rounds a "Super Round" was held in June (A Grade bye due to Senior Championships in Adelaide). On this day A Reserve teams played a maximum of 3 shortened games. Reports received from players and officials were complimentary of the format and the Women's Sub Committee will look to fine tune this "Super Round" if it is required in the 2015 fixtures. My thanks are expressed to Karen Mau for her operational assistance and Bev Leavy for undertaking time keeping.

During the season competitive games were played across all grades, our close results in many of the finals were testament to the hard fought competition we have here in WA. We were very lucky to have few wet Sunday's this year which made playing games a more enjoyable experience.

Thank you to East Fremantle Lacrosse Club and their organising committee for the 2014 finals series, it will be remembered for many reasons, including the addition of demonstration games for juniors and the visit from Singapore Lacrosse.

Phoenix Lacrosse Club hosted a spectacular Under 15 Tournament and have really set the bar high for future tournaments of this nature. The week displayed some sensational lacrosse, terrific sportsmanship, wonderful weather and a team of volunteers that did not stop to ensure the success of their Tournament, congratulations to Fran Maunton, Annabel Wills, Colin Moir and all Phoenix members.

Thank you to our Coaches and Managers of our State and Regional Teams, without volunteers for these positions the teams would not be in a position to attend Championships. WA was also well represented at a National level with umpires attending all Championships and the U15 Tournament.

I look forward to entering my final year as Director of Women's Lacrosse and tackling the obstacles that continue to halt our progress forward. The Lacrosse WA Board has many areas to review and policies to implement between now and next season and with these in place, I hope that we can continue to present a professional and well operated competition for all members to enjoy.

Kellie McBean

2014 DIRECTOR OF OFFICIATIONS REPORT

This past season has seen much work in building and consolidating the development of a dedicated officiating group within women's lacrosse in Western Australia and Australia. Initiatives commenced over the past few years are slowly starting to promote the rewards of good officiating within the game and also the career path that is now available with the growth of lacrosse worldwide.

At Australian level, the Women's National Technical Committee has been formed and representatives are now working at forming their state Australian Lacrosse Officials Association, based upon the men's ALRA body and constitution.

An evaluation form has been developed and accepted for use next year by coaches in women's games to help provide regular feedback to match officials.

Over the last two years WA women's lacrosse has accredited more state and national umpires than other states. This bodes well for the development of the game. Their match fees have been increased. An umpire's panel or an umpires subcommittee is to be implemented next year.

Grant Moir, through the Junior Lacrosse Council, proposed and introduced an officiating program, which aimed to familiarize junior players with officiating. Its long-term aim is to improve the rule knowledge and quantity of officials at junior grades. Stephanie McRae and Bruce Banyard developed a Log Book for participants to use. Both the Men's Chief Referee and Women's Umpire in Chief maintain oversight of the approval for any endorsements to be issued.

During the season ALRA WA have accredited over 100 club and ALRA members to officiate games at the various grades. Arrangements are being made to facilitate the annual theory test at a national level via Arbiter.

ALA has accepted the Men's National Technical Committee's recommendation for a career path and selection criteria for national and international championships for both referees and assessors.

This year saw the Men's Senior World Championships take place in Denver, USA. ALRA – WA members selected to officiate were Peter Mulcahy and Blair Fraser with Evan Walters as an Assessor. Steven McRae, on his own initiative, attended the US Lacrosse's LAREDO (Lacrosse Referee Development program), which was held immediately prior and also officiated in the Festival of Lacrosse conducted in conjunction with the Worlds.

Congratulations to Ben Mercer of the East Fremantle Lacrosse Club who was awarded the ALRA-WA Junior Referee Development Scholarship, which enabled him to officiate in the 2014 Australian Under 15 Tournament.

Other officials who received recognition this year were:

WA Sports Federation Awards

Slater & Gordon Lawyers Official of the Year (Nominee) – Peter Mulcahy.

Department of Sport and Recreation – Sports Officials Awards

Official of the Year – Peter Mulcahy

Gold Whistle (Head Referee, State League Grand Final) – Mitchell Walmsley.

Gold Whistle (Head Umpire, 'A' Grade Grand Final) – Kellie McBean.

Youth Official of the Year (Men's) – Kirsten Smedley.

Most Improved (Women's) – Susan Milne

Since becoming involved with lacrosse many years ago, as a result of my son joining the Bayswater then Nollamara Club, I have been fortunate to become involved at many levels of the sport. I have made and enjoyed many friendships within Australia and around the world, but now is the time to take a step back and thank all who have assisted me over the years – as a player, coach, club president, referee, Referee in Chief WALA and LWA Board member.

Laslo Tiszavolgyi

2014 DIRECTOR OF DEVELOPMENT

2014 has been a year of change and growth for junior lacrosse in WA. With the continued support of Healthway 'Smarter Than Smoking' program, we have had some great success stories in our junior ranks in 2014.

The Smarter than Smoking (STS) Modcrosse in Schools Program continued to provide us with an effective means to promote healthy lifestyles as well as the sport of lacrosse. I believe that our STS Development Officers have done a great job in spreading the Smarter than Smoking message, while being wonderful ambassadors for lacrosse. This is obvious with both the numbers of players joining club modcrosse and lacrosse competitions, as well as the positive feedback we receive from school teaching staff who work with our DO's.

All clubs were well represented with development officers and they included visiting international players, students, and part time workers. A brief summary of the year's work includes

- Schools visited: 95
- Modcrosse introduced to: approx 27,000 boys and girls.
- Carnivals involving the following school sporting associations: South of the River, Catholic Schools, Cockburn Central, South Central, Bayswater-Upper Swan/Beechboro, Kingsway-Wanneroo/Hillarys/ Woodvale, Rockingham/Warnbro, Cambridge, Blues Modcrosse Carnival, Wolves Modcrosse Carnival.
- Work with community groups - YMCA, "Have a Go Days", Recreation Centres
- Joondalup Teacher In-service
- School Holiday Clinics

The first few changes started at the Junior Lacrosse Council level. In January the Council became the decision-making and strategic planning body for both junior men's and women's lacrosse in WA. The LWA Director of Development was charged with its coordination, and the JLC delegates agreed to the scope and processes of decisions and planning. The recommendations and discussion points from the 'Junior Lacrosse in WA – A Shared Vision' meeting, which was held at Rosalie Park in December 2013, were used to provide direction for the Council in 2014.

The directorship of Development experienced a number of changes to its structure in 2014. Peta Hiron took on the role of Development Manager, which allowed her to continue to provide effective support to the STS Development Officers, as well as collaboration with Healthway and schools. To provide further support to our band of hard-working club junior coordinators, the Lacrosse WA Board agreed to create a new part-time Club Junior Recruitment Officer position. In this role, April Jolly has provided the Association with more accurate baseline data on player numbers in WA, while assisting clubs in junior recruitment and development.

At the beginning of 2014, the JLC undertook a review of the playing rules of the D Grade Women's competition. This process gave all clubs an opportunity for input into the review of the rules and after a couple of months was fully endorsed by the JLC, Women's Umpire-In-Chief and LWA. One aspect of this review brought about a change in the playing age groups to align them with school years (D Grade – Year 1-7; C Grade – Year 5-11). The JLC see the future creation of a third junior age grouping as a priority for Women's lacrosse.

The Australian Lacrosse Association has recommended that all coaches, regardless of division are accredited through the ALA Coaching Course. In 2014, two of these courses were held - Sunday 2nd March @ Halliday and Monday 9th & 16th June @ Light Street; with 32 coaches and school development officers gaining accreditation. Many thanks to ALA Director of Coaching, Glenn Morley for his efforts in presenting both courses.

As a sport we are lucky enough to have some world-class umpires and referees here in WA, but unfortunately (or alarmingly) we also starting to see a decline in experienced officials. The JLC identified this situation as an area of priority, and throughout 2014, with the assistance of Suzanne Kirkby, Steph McRae and Bruce Banyard, devised the Junior Lacrosse Officiating Program. This program has already provided a group of junior lacrosse players the opportunity to officiate junior games and to gain mentoring and levels of accreditation from experienced senior officials. Lacrosse WA pledged its support for the program through the provision of match payments for these officials, once accredited. Both the JLC and LWA Board see these payments as one means of encouraging junior players to experience umpiring and refereeing. By the end of 2014, there were approximately 6 junior players who had passed their first phase of accreditation, with many others keen to follow their lead in 2015.

"We wanna play box." This statement has been repeated by many of our junior members over years and this year our 15's and 17's boys were given a first taste of this exciting form of the game. The JLC, together with a group of senior men's players coordinated a Box Lacrosse Exhibition Night at Claremont Showgrounds during the bye round in July. Approximately 60 Junior and Senior Men's players participated in this event, with an audience that would rival a finals fixture. Such was the popularity of this event, there is already widespread support to expand this concept in 2015.

The LWA Junior Lacrosse Gala Day, held in July brought the three entry-level formats of the game (D Grade, Under 11's Lacrosse and Modcrosse) together at one venue. Eighteen teams participated in three separate round-robin competitions for the morning. It was a magnificent sight to see roughly 180 junior-aged boys and girls playing on the one ground. Many old-time lacrosse players said

Lacrosse WA would again like to thank Healthway for their ongoing support of Lacrosse in Western Australia.

that the day brought them back to the golden days of Saturday morning junior lacrosse at Rosalie Park in the 70's and 80's. Once again, the collaboration amongst the JLC representatives was vital to the success of this event.

The LWA Junior Wind-Up, held at Rosalie Park was a fitting culmination event to a great season of junior lacrosse. Fastest Shot Competitions, autographed posters of Australian players, and a great slide show put together by April Jolly gave the kids a night to remember. Many thanks to Subiaco Lacrosse Club for hosting the event, the JLC, also to our Australian representatives: Thomas Graham, Warren Brown and Elizabeth 'Buzzy' Hinkes for providing inspiration to our future stars.

Our player numbers at the all-important entry-level competitions (Modcrosse, D Grade and U11's Lacrosse) have continued to show pleasing rates of growth in 2014. In 2014 the U13's competition expanded to 8 teams with Wembley and Phoenix fielding two teams each. While this was a great achievement for these clubs, it did create a disparity of results between these teams and singular club teams, with a high number of 'blow-out' results. As these unattractive results were not limited to this age division, the JLC has begun to look at possible manifestations of the mercy rule for implementation in junior grades in 2015.

While it has been great to see all of the growth in our grass-roots levels, it must also be said that clubs and the Board need to continue to look for new ways to provide more support for the junior club coordinators who have overseen this growth in player numbers. While these people have a strong love of the game, it is incumbent on clubs to ensure they are properly supported to prevent the common scenario of 'junior coordinator burn-out'. While lacrosse is not a sport that new mums and dads would be able to step in and 'take a junior team', there are a wide range of

tasks performed by the coordinators (managing, ground set-up, uniform registrar, promotions, canteen, time keeper, scorer) that could be fulfilled by other members, new and long-term. Making new and existing members accountable to continuing the healthy growth of this sport in WA will not be an easy task, but one which needs to be performed if we are to continue to grow the game.

As Director of Development, I would personally like to acknowledge the tireless efforts of our Junior Lacrosse Council representatives: Amanda Plummer, Russell Panting (Wembley), Bev Leavy (EF), Helen Moir (Phoenix), Angie Somerville, John Newton (Subiaco), Darren Sugars, Dennis Holman (Wanneroo), Glenn Coulter, Des Doherty (Bayswater), April Jolly (LWA) and Bruce Banyard (ALRAWA). The level of collaboration shown amongst this group of people has provided a shared direction for the development of the sport in WA. They have been a great bunch of people to work with.

I would also like to thank Peta Hiron (Development Manager, LWA) for everything that she has put in to the development of junior lacrosse in WA; and Ian McRae for his work in coordinating the Junior Lacrosse Council for the years leading up to 2014. It would be interesting to see what this sport would look like today without the efforts of these two people.

In conclusion, it is clear to see that recruitment has been a focus for the six clubs, and we are making pleasing progress at the entry level. It must also be said that strategies to improve the retention of existing players must also be a priority in the future, if we are to sustain three men's and two women's senior divisions well into the future. The evidence shown over the last 12 months that clubs are willing to work together for a common goal is a positive start.

Grant Moir

2014 DIRECTOR OF HIGH PERFORMANCE

My main focus for 2014 was to complete LWA's Coaches and Managers Handbooks and to ensure all State and Regional teams representing Lacrosse WA had the required support staff to get them ready for their respective Australian Championships and/or Tournaments.

Due to the vacancy on the Board of Director of Senior Men most of my time was spent sorting out issues relating to this role. I.e. setting of Men's Fixtures for 2014 and sorting out players grading conflicts, this left no time to complete the Coaches and Managers Handbooks.

Our Under 18's State teams were the first to attend an Australian Championships this year. This championship was held in Bendigo, Victoria during April. Both the boy's and girl's teams made it through to the championship game. The girl's team lost by one goal in their game and the boy's team was victorious in theirs. Our congratulations go to all those involved with this team.

Our Senior State teams travelled to Adelaide in June. The women's team found themselves up against strong Victorian and South

Australian teams and finished 3rd. The men's team made the championship game to defend their title, but were unable to hold out a very strong South Australian team.

This year Lacrosse WA had five (5) teams participate in the Australian Under 15's National Tournament held in Perth during September/October. This tournament was conducted by the Phoenix Lacrosse Club and they did a fantastic job running this event. The two boy's teams (Northern Thunder and Southern Braves) ended the week playing against each other for third spot, with Northern Thunder winning this gam. For the first time in a number of years we were able to select three girls' teams (Stars, Flames and Breakers). Both the Flames and Breakers teams were set up to allow our younger players to gain some valuable experience for future years. The Stars team who finished 5th in 2013 went through the tournament undefeated and won the tournament's final game against Vic Ice to become the 2014 ALA Tournament winners. Our congratulations also go to all those involved with this team.

Murray Gates

2014 DIRECTOR OF PROMOTION'S REPORT

This was my first official year on the board of Lacrosse WA (after 2 years supporting in the marketing space) and personally I found it to be both educational and rewarding. My vision in this role is to change the perception of Lacrosse WA as an association and build capacity within the membership. My main objectives were;

- Engage the current Lacrosse WA membership through social media and events
- Support and up skill the clubs to be more proactive within their own local marketing
- Grow the game through other marketing and the media external to the Smarter Than Smoking Schools Development Program
- Produce a marketing plan to make all of the above possible

Lacrosse WA kicked off the season with the inaugural *Season Launch* which was held at Royal Perth Yacht Club in March. The aim of the event was to get players, coaches, supporters, local Politicians and the general community excited about the season ahead. Teams were also recognized from the 2013 Season and congratulated on their achievements. The event was also used to celebrate and send off the 2014 Under 18 Girls and Boys team before they left Perth in April for the National Championships.

A PR seminar was held in April open to all clubs hosted by myself and PR expert Keira Swayn from The Salvation Army's marketing department. Our theory was to teach clubs how to source and write local new stories from within their clubs and how to work with media outlets to publish their stories. A small group attended with representation from most clubs.

Clubs were also provided with media templates every time a local 'news worthy' story broke eg. Players selected in Western Australian representative teams.

Social media again played a major part in engaging current Lacrosse WA members, but also recruiting new players and bringing our players back to WA Lacrosse. Facebook is now the most dominant form of communication when connecting with our membership and to the Lacrosse community throughout the world.

Lacrosse WA was also fortunate enough to receive some ICT funding (thanks to Fran Maunton and Annabel Wills for all the work done on the project) which in turn enabled Lacrosse WA to purchase Live Streaming digit equipment and for the first time ever selected games for the 2014 Final Series were live streamed all around the globe. Western Australian games were watch from as far away as the US, UK and Switzerland. Massive thanks to Ryan Spark from East Fremantle Lacrosse Club for getting this initiative off the ground and ongoing support to Lacrosse WA in this space.

A special mention should also be made to Grant Moir and his team on the Junior Lacrosse Council for a hugely successful Junior Windup hosted by Subiaco Lacrosse Club and also the Phoenix Lacrosse Club for hosting what has been said to be one of the best National tournaments in Australia ever.

In closing I would like to congratulate the five Western Australian's (Alex Brown, Warren Brown, Matt Diver, Thomas Graham and Callum Robinson) who were selected to represent Australia at the 2014 World Championships held in Denver, USA in July. Over 400 Australians travelled to the World Games to support the Aussies who were dealt some seriously tough playing conditions daily, but still represented our country with passion and great sportsmanship. The players themselves and many of the fans left Denver with a new Lacrosse energy and ideas that will continue to grow and develop our game here in Western Australia in the future.

Shendelle Oliver

2014 BAYSWATER LACROSSE CLUB

I was honored to accept the position as President of Bayswater Lacrosse Club this season. The 2014 season for Bayswater held many successes including a significant recruitment of junior players, the reintroduction of the Modcrosse program and premierships for the State League team and the women's A Reserve team.

This season would not have been possible without all our wonderful members, volunteers and followers who have, week in and week out, cheered on the sidelines supporting our players and assisting in the organization and running of our club. Special thanks goes out to Carole Bowland for her outstanding efforts as club manager and the various other roles she undertakes to keep this club running.

I would like to acknowledge and congratulate Warren Brown and Thomas Graham for their outstanding efforts in representing Australia at the 2014 World Lacrosse Championship in Denver, USA. Warren and Thomas accompanied other WA lacrosse players who also represented Australia. Special mention should also be made to John Keesing for his efforts in managing the Australian team. We are very proud to call them our own. Thomas, Warren and John were not alone in their endeavours in Denver. I also would like to congratulate the Bayswater Rocks team who placed bronze in their competition. We saw many of our loyal fans and supporters travel to Denver this season to support and watch our players.

The main goal of the committee this season was to increase the number of players in the club and better player engagement. I am proud of the committee in succeeding in increasing memberships and players. This season, for the first time in a number of years,

the Modcrosse program was reintroduced and recruited 35 children. In addition to the Modcrosse program, we had two under 11s team (a special thanks to April Jolly for her hard work in this regard), a full under 13's team and plenty of junior players for our C & D Grade divisions.

This season, instead of investing funds in our club rooms like we have in previous seasons, we decided to invest a large amount of funds into our junior development. In particular, we had a successful free stick program for new junior members. It is intended that this program will run again in the 2015 season. For the 2015 season, the recruitment focus will be on schools with an aim to further recruit more junior players. Our aim is to recruit enough players to have 2 junior teams in the under 11s, under 13s, C Grade and D Grade divisions.

We hope in the budget for the 2015 season, that we can have funds available to increase the size of our gym and improve the other training facilities at the club. This would be a joint project with the City of Bayswater, and we would hope a number of our members would seek to be involved in this project to better our facilities.

We hope to have a social committee in place for the 2015 season to arrange activities for the club as a whole and for junior and senior members in addition to the various fundraisers the club holds throughout the year. This season, the club was successful in holding a Purple Bra Day fundraiser for Breast Cancer Care WA. The club pulled together to raise \$7,000 for that cause. A special thanks to Mike Burton for his efforts in organising that fundraiser.

Acknowledgements

Our club is forever appreciative of the tireless work put in by our wonderful volunteers. On behalf of Bayswater Lacrosse Club, we are especially thankful to the Committee, players and volunteers who made this year a success, namely;

- Faye Beaman in the Canteen;
- Lloyd Morley and Wayne Hollingbery for their help in maintaining our facilities;
- Thomas Graham for his help in marking our fields;
- Sue Kirkby, Nicole McKenna, Carole Bowland, Evan Walters, Ian Misich, Julian McGrath and John Keesing for their efforts as referees;
- Brad Kirby as Bar Manager and Mike Gates as our resident bar attendant;
- April Jolly for her work in School Clinics and junior development;
- Nick Graham and Jack Doherty for their work in school clinics and coaching;
- Rachel Anderson for her work in coaching and scoring;
- Margaret Morley for making amazing Thursday night meals for Senior Men.

A further thank you is extended to all of the junior umpires, coaches, managers, scorers and timekeepers for helping our teams get on the fields each week.

We would not be able to achieve the successes we have achieved without the continued support of our incredible sponsors. I would like to acknowledge and thank all of our sponsors, but in particular:

- Kim from Celebrations at Charlies;
- Matthew Tatlow from Budget Woodcraft for his generous donation of water bottles for the club; and
- Heath Condo from Henley Brook Fabrications for providing junior Modcrosse goals.

It is the commitment of so many that makes Bayswater such a strong club now and moving into the future.

I lastly would like to congratulate all the Bayswater players who were selected to play for WA and Australia teams this year, and the individual trophy winners for each team. I look forward to what we can achieve in the future.

Thank you again for all your support this season.

Jesse Bowland Curtis
President

2014 EAST FREMANTLE LACROSSE CLUB

Three years ago the Club laid down its Strategic Plan and put in place a vision to be “the most innovative, successful, financially secure and member-strong club in Australia”. I am both proud and thrilled to report that in season 2014 we took massive strides toward our club goals.

The Club will post a record profit in 2014 and boast healthy cash reserves that will enable us to proceed with our building project with confidence.

Last month we signed off on our \$450,000 building contract that will see our clubrooms transformed in to a facility that will be envy of all clubs. We will have men and women change rooms, a new outside canteen facility that will allow our volunteers to watch the game from the serving area, increased social area with ceiling to floor windows overlooking the magnificent Swan River. It will boast an entrance hallway that captures the history, passion and love of our lacrosse club - standing testament to all members past and present.

All this has been made possible through our astute (strategic) planning, hard work and generosity of EFLC members, our strong relationship with the East Fremantle Cricket Club and the support of the Town of East Fremantle and Department of Sport & Recreation. To all of you – thank you.

We hosted the 2014 LWA Final Series this year and introduced live streaming of home-grown Men, Women and Junior lacrosse to the world. We also welcomed a team from Singapore to our Club and organised games against an EFLC All Stars and LWA President’s Team. Our meticulous planning and desire to be successful generated considerable praise from those who attended.

As a Club, we worked well together in 2014 to deliver quality

outcomes to our members and the lacrosse community. The Final Series being clear evidence of this. We strengthened our club culture and increased our desire to be more successful on the field.

We saw five of our teams make Grand Finals in which we won two premierships – thanks to the efforts of our players, coaches, referees and support staff. This is a big improvement on our 2013 season.

Our players and coaches showed they are the best in Western Australia with a number of them winning LWA Association & Community Awards or being named in WA All Stars Teams. Statistically, we were one of only two clubs that improved on their Club Ladder Positions in 2014. Our Junior, Women and Men divisions all performed better than last year as well as that of 2012.

Our sincere thanks go out to our members, supporters, sponsors and LWA for your support and commitment throughout the year.

To our rival clubs – thank you for the spirit in which you played the games and the tough competition you delivered to us each week. We have the collective ability to grow this sport if we work together and set clear a clear direction for Lacrosse in WA.

With the building project now underway, 2015 is shaping up to be a busy year for EFLC. We look forward to the challenge it presents and the journey that lies ahead.

Go Blues!

David Miller
President

2014 SUBIACO LACROSSE CLUB

2014 was a challenging, but fun year for the Subiaco Lacrosse Club.

We started the season without our club rooms or playing fields as the pavilion underwent refurbishment by the City of Subiaco. The end result is a great facility with new change rooms for visiting teams and officials and storage units. Our first couple of home games were catered for on our veranda with eskies and ice, but we had a good time doing it. We got back into the club at the end of June, some many weeks later than expected, but well worth it.

On the field our C Grade Girls team finished on top of the ladder as Minor Premiers, and then went on to win a hard fought match against gallant East Fremantle to win the LWA C Grade Championship for 2014. Our Under 13 boys team went down in a golden goal extra time in a semi final to miss out on a chance to win back to back grand finals. Subiaco's other teams didn't fair so well this year, look out in 2015.

One of the highlights for our club was our Under 11 team of players and parents, and the hosting of several Under 11 fixtures in 2014, and the Junior Tournament on a fine weekend in July. There was a great turn out from players, parents and clubs. The ground looked festive and full of fun. Thanks for the opportunity.

Off the field, we have a great time at Subi. We held a very successful quiz night as our only major social event of the year due to the renovations, so everyone made the most of it. We will do it again in 2015.

Subiaco hosted the 2014 LWA Junior Lacrosse Council End of Season Celebration. Again it was a successful event with great speeches, a good paced run-through of season 2014 to acknowledge the many excellent junior players, a great power point photo display and a good meal.

In 2013 Subiaco spent a significant amount of club money on an advertising campaign aimed at raising the profile of lacrosse as a sport in WA. The 'Play Lacrosse' recruitment campaign, championed by Brian Christianson, received wide spread positive

feedback. The hope was it would be picked up by LWA and built on to improve lacrosse's profile in WA. This did not happen, which is a great disappointment. To ensure the future of lacrosse in WA in the form of playing numbers, a major profile campaign must be undertaken.

In 2014 our State League team was coached by Gareth Allen with assistance from Travis Roost. We thank Gareth for his efforts, the team enjoyed their time both on and off the field. Gareth is off to Sydney in 2015, we wish him luck. We look forward to another year with Travis.

Subiaco will be focusing on improving our coaching team and training sessions in 2015. We are looking for a State League, A Grade Women's and A Reserve Woman's coach for next year. Apply now.

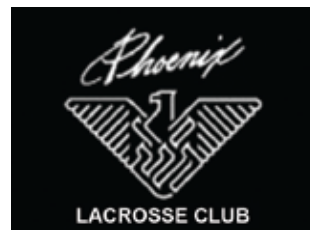

In 2015 Subiaco Lacrosse Club is scheduled to host the National Men's and Women's Lacrosse Championships in June. Work has already begun on planning this event. Help will be needed from other Clubs in the form of extra equipment and possibly volunteers to run the comp. It will be a challenge to live up to the standard that Phoenix set with this year's Under 15 National Championships!

Subiaco will also host our local 2015 finals series. Again it will be a challenge to live up to the standard set by East Fremantle this year, who ran a brilliant final series. Again we hope to have the opportunity to learn the secret of a good competition from East Freo.

On a personal note, I have enjoyed my first year as President of Subi Lax Lions and will run again at our AGM on November 18th. I enjoy the game, the people on the committee, the players and parents at our club. I would like to see lacrosse grow in numbers and recognition as an alternative sport that more people in WA know about. I see this as a key priority for LWA.

Anna Forrest
President

2014 PHOENIX LACROSSE CLUB

2014 has certainly been a year of excitement, non stop activities and great challenges for Phoenix Lacrosse. The Club has continued to grow both on and off the field this year with more positive plans in place for 2015.

We have had many contributors to the success of the club, with strong assistance from players, parents and families in general. I would like to thank our hard working committee, they have been fantastic with their time and commitment, ensuring we steer the club through this phase of growth and improvement across the board.

A special thank you to our amazing Canteen Crew who kept the hordes happy with great food and service during the season. To our Coaches, Referees, Managers, Officials, Grounds Markers and Helpers - We sometimes under estimate their commitment and what they do for the club. Your efforts are appreciated and we are thank you for your involvement this year.

On the field this year, we had another strong showing of our junior development and the hard work being done to continue this important part of the Club's future. We were able to field:

Women's

- 2 x D Grade Teams
- 1 x C Grade Team and a Union Team with Bayswater
- 1 x A Reserve
- 1 x A Grade Union Team with Bayswater

Men's

- 2 x U11's Teams
- 2 x U13's Teams
- 1 x U15's
- 1 x Div 3
- 1 x State League

Next season we aim to continue the development with our junior numbers and push for another Boys and Girls team.

We had some great personal achievements from our playing group – both seniors and juniors. We had representation in the Women's State Senior Team, Women's State U18 Team, Girls U15 National Tournament Teams (Stars, Flames and Breakers) and Boys U15 National Tournament Braves Team. Great to see so many of our own players attain selection in these teams, it's a great sign of things to come and the future of our club.

We also had some International achievements. Gerard Wills, Emily Wills and Carina Tabuteau represented Australia against New Zealand for the ANZAC Day Game "The Game that Never Was", which was held in NZ.

Ashtyn Hiron realized her dreams and left Phoenix to start her College Lacrosse career with Jacksonville in Florida, which is a D1 Lacrosse Program.

Imports – we were fortunate to recruit some outstanding International Players – 4 joined our State League Men's Team and we had another join our Women's Union Team. Apart from their contribution on the field – all were instrumental in helping the club with coaching, refereeing and general assistance around the club. All had 'can do' attitudes and have been of great value to Phoenix in their time with us.

We had 4 x teams reach finals this season which was a tremendous effort. Our D3 made it to the last game – and 3rd year in a row were unlucky to take the final as they went down in over time Golden Goal. Our 15's had a great year, the long season sitting at the top of the table was a really wonderful achievement as the year before the team went the whole season winless. Unfortunately they could not get through to the Grand Final and were pipped in the Preliminary by East Fremantle. Our 2 x U13's were fortunate to experience finals lacrosse as part of the 8 x team finals format, which will be great for next year's group in taking another step....

Off the Field – The club had an enormous year. We started early with full club pre season early January through to February. We then rolled our pre season into the club's first pre season 'camp' held at Point Walter. The camp was fantastic, we had a good mix of juniors, seniors, boys and girls – including lot's of parents to assist with the planned games and activities. We have next year's camp already booked and numbers are expected to rise by another 50%...

We had our Season Launch in April. It was a great night at the club, the place was packed to the brim and created a great sense of excitement as the first game approached for all teams. A lot of the hard work put in over the off season was evident as all members were ready to go for 2014.

The club invested in some improvements to the facilities this year with kitchen, storage and bar work being completed. The changes have had a positive impact and we look forward to continuing areas we can improve upon for our members at the club.

In my view, the most significant event for the club was the hosting of the 2014 City of Cockburn ALA U15 National Lacrosse Tournament. We were fortunate to have 2 x extremely professional and inspirational members in Fran Maunton and Annabel Wills who volunteered to manage and execute the carnival on behalf of ALA and Phoenix. The tournament was a huge success, and was congratulated as being the best run and organized U15's Tournament – ever. Fran and Annabel spent countless weeks, days and hours planning and running the event, which started back in 2013. The energy and fulfillment created for the players and officials was nothing short of brilliant and it has really helped Phoenix get recognized for the great spirit in

which the event was held. I would like to both congratulate and thank all Phoenix players, coaches, managers – and especially our volunteers for their contributions to making it such a success. One significant point I would like to make, is that the camaraderie the tournament created between clubs here in WA and across Australia was great. We sincerely appreciate and would like to acknowledge all of the volunteers, players and officials from other clubs that put their valuable time in to help us run the event, just a tremendous effort all round.

Looking to 2015

We are currently half way through our Planning Sessions for the next 3 year phase. We will be looking at a range of areas the club intends to focus on such as:

- Ongoing Junior Recruitment and Development
- Fielding teams in all grades within the next 3 years
- Review of Club Facilities and Location
- Financially sustainable growth plan
- Continued enjoyment, fulfillment and social engagement with new, existing and past members and players

All in all, it's been a very active and successful 2014 for Phoenix Lacrosse. It is a privilege to be the President of a club that is going through an exciting phase of it's existence and creating a very bright future... The people make the club what it is today, which I believe is the reason Phoenix will continue to rise.

Colin Moir
President

2014 WANNEROO LACROSSE CLUB

MEN'S LACROSSE

Seniors

We had a fairly successful year with growth in numbers allowing us to field 4 full senior teams who all played in finals. State League won their first minor premiership, D2's missed out on a premiership in overtime, and D3's won the premiership while the other D3 team was eliminated in a preliminary final.

Night games are proving to be successful, with a good atmosphere and adding revenue to the club. This was the first year with the new lights enabling night games to be played at Penistone Reserve. New uniforms and merchandise are adding to a more professional look for our club as well.

We had many coaches and refs become accredited.

Juniors

All our junior teams played in finals, with 17's taking out the premiership while the 15's and 13's each played in the grand finals but were defeated.

WOMEN'S LACROSSE

Our numbers were up on the previous few years enabling us to field 3 senior teams (1 x A grade 2 x A Reserve) and a full U16's team. It should be noted many of our junior (U16 girls) filled in for our senior teams which gives them valuable experience. All our teams played off in the finals.

MODCROSSE

Numbers are still looking good with competitions played in U11's (4 teams) and 13's (4 teams).

Clinics were conducted in 19 schools and we provided umpires for numerous interschool carnivals.

GENERAL

This year saw our club become incorporated as one unit from the three separate clubs in 2013.

Each group operates under their own committees with an executive committee looking after the club as a whole.

We, like many clubs, have difficulty in getting members/parents to take an active role in running the club and as usual most of the work is undertaken by a small few.

Over all our club has had a good year and we are looking forward to building on the work and results achieved in 2014.

Dennis Holman
President

2014 WEMBLEY LACROSSE CLUB

The past season has been another exceptional year for the Wembley Lacrosse Club.

We have seen our numbers grow in Modcrosse and junior grades thanks to the efforts of our Junior Committee. We need volunteers from the senior members of the club to help with coaching, managing and umpiring of our junior teams to keep growing. Remember without these teams we will not have a Club in the very near future.

Our teams have had a very successful year again winning Minor Premierships and Premierships in both Men's and Women's competitions. I would like to take this opportunity to thank all our Coaches and support staff for the hours that they have put into their respective teams.

The success we enjoy on the field does not just happen. I must also thank the people at Wembley that work behind the scenes to make us a very successful and strong Club. I would like to thank all our coaches, bench officials, managers, referees, bar and canteen volunteers who but in many hours and which go a long way towards the success we enjoy as a Club.

There is a third group of people that need to be recognized for the running of the club. These are the committee which I would

personally like to thank for all for the time and effort that goes into getting all our teams on the field on match days.

This year the World lacrosse Championships were held in Denver and a large and very vocal band of supporters from Wembley traveled to watch three of our boys play in these games. I would like to congratulate Alex Brown, Matt Diver and Callum Robinson for their dedication in what is a very long and costly process to make an Australian team.

I know that every Wembley supporter that traveled to Denver and also the ones that stayed at home and kept the Club running over that period, are extremely proud of what the boys achieved for their Country and our Club.

I have one last closing observation. As a person that has played and been involved in the game for the past 45 years and seeing the numbers slowly decreasing we need to have a consolidated campaign that must start at the very top with ALA and LWA and all Clubs having one goal and one plan to increase playing numbers in the Modcrosse and junior grades other wise we will not have a viable competition in the game we all enjoy in years to come.

Mark Bowman
President

2014 ALRA ANNUAL REPORT

Our aim every year is to provide competent referees to the WA lacrosse community. In 2014 we faced some obstacles to this, mainly because of contribution WA referees made during the World Cup in Denver. Club referees stepped up and officiated in their place, and they did a good job.

Also, in every year, WA provides referees for the 3 major national competitions being Under 15, Under 18 and Seniors. The referees attending these tournaments improve their skills dramatically, given the close attention paid by referee assessors.

ALRA offered referee training and accreditation again this year, and we will do so again in 2015. We hope for clubs to encourage a number of their members to attend.

Like most parts of Lacrosse, our biggest weakness is a lack of numbers. In addition to this, the average age of referees threatens that injuries will become more common, putting pressure on the current numbers to cover at least all of the State League games.

We will again focus on recruitment in 2015. We hope to encourage people with an interest in refereeing. Our focus will be on current and past club referees.

We look forward to improvements by ALRA in 2015.

Blair Fraser

2014 KULJAK ANNUAL REPORT- PRESIDENT

Kuljak held their Annual Breakfast at the Hillary's Boat Harbour on the 23rd of February where members and their partners listened to our special guest speaker, John Keesing, as he briefed the Kuljak Club on the preparations for the Denver USA World Series. Members of the LWA Board attended the breakfast where LWA President Mr Andrew McTaggart, also made a presentation on the preparations for the upcoming season. The Kuljak Lacrosse Club also welcomed and accepted Mr McTaggart's application to join our esteemed ranks.

Our AGM was held in May. Brian Griffin was installed as President. The Club thanked Doug George for his outstanding service, where he immediately assumed the position of Vice President. All other positions were filled by the incumbents.

The Annual Dinner was held in late August at the RAAFA in Bullcreek where we celebrated the 2014 World Lacrosse Championships. Our special guest speaker was again John Keesing (Manager of the Australian Team). John gave a presentation debrief on the results and trials and tribulations of the Series.

At the dinner Kuljak announced "The 2014 All Star Aged Team" who consisted of :

POSITION	NAME
Goals	Alan Stewart
Point	Colin Mounsey
Cover Point	Bob Ramsay
3rd Man	Ken Stewart
Wing Defence	Frank Poat
Wing Defence	Alby Paul
Wing Attack	Don Hosken
Wing Attack	Rob Pierce
Centre	Charlie Gates
3rd Home	Warren Gaunt
2nd Home	Bob Taylor
1st Home	Manis Boyce

The team selector had a difficult task assembling the team, given the amount of talent that showed up for the trial that night.

The 2014 Kuljak Medals for MVP in both the men's and women's Grand Finals were presented to Warren Brown from Bayswater Lacrosse Club and Hannah Barnsley from the Wembley Lacrosse Club. This is Hannah's third achievement in winning the Kuljak Medal.

The next annual breakfast will again be held at the Hillary's Boat Harbour on Sunday 8th February 2015 with the AGM scheduled to be held in April.

Pleasingly Kuljak was able to award the Whiteman Youth sponsorship Grant to Aidan McKeown (Grandson of Don Rudderham) for his participation in the U15 National Tournament host by the Phoenix Lacrosse Club in 2014.

The Youth Scholarship is open to the direct relatives of Kuljak members.

Membership of the Kuljak Lacrosse Club is open to everyone involved in the sport and we welcome new members of all ages. In 2014 we welcomed Michael Gates, Murray Gates, Jeff Kennedy, Colin Moir, John Hiron Jnr and Andrew McTaggart.

THE HISTORY OF WALA 1896 to 2010

One project Ian Toy (Life member of Kuljak) has been working very diligently on this the history of Men's Western Australian Lacrosse.

The gathering of the history of the men's game is drawing to a close after some two years of research. Production of a book is planned for next year.

Kuljak members and others have already made significant contributions.

There is always more to be known. Such as;

School boy high school teams. Were you or some-one you know a member of such a team?

Do you have a lacrosse photo and story to contribute?

WA Senior State Team photo 1991 to 2010 wanted.

Australian Lacrosse Team photo 1994,1998, 2006 & 2010 also wanted.

The last 10 to 20 years history of all clubs needs more work. Can you help?

Please contact (Ian Toy) by email (iancaroletoy@live.com) or phone(H94012224 M 0400142056)

Winning photograph - "Aerial Attack"

2014 WA LACROSSE FOUNDATION REPORT

With only a handful of grant requests received over the past 3 years since inheriting the administrative duties of the Lacrosse Foundation, the base capital has been preserved. Although interest rates are depressed in the current investment marketplace, the funds received as interest on term deposit investments has covered the grant requests the Foundation has supported.

2014 was the third and final year of a sponsorship agreement between LWA and the Foundation to provide an inventive by

way of a cash prize to a winner of a photo competition initially proposed by the then Director of Men's Lacrosse, Ian McRae.

The competition's original goal was to build a library of photos of local lacrosse action from which promotional material could be sourced. It has gone beyond that with a camera on the sidelines a regular feature at most games now and the showcasing the sport receives on social media is growing. The photo "Aerial Attack" from Kyle Burkholder was the winner for 2014.

Steve McRae

U15 GIRLS NATIONAL TOURNAMENT CHAMPIONS
2014 - STARS

WA's U15 Stars celebrated success after taking out the Under 15 Girl's National Lacrosse title defeating Victoria's Fire 10-7. Head Coach Alana McKinlay said, "It was a long process of 4 years for this to occur and along the way I got the honour and privilege to coach some of the most amazing and talented girls" McKinlay and her Stars were successful this year under the motto *One team, One dream.*

U18 MENS NATIONAL CHAMPIONS 2014

The WA U18 Men's Lacrosse Team defeated Victoria on their own turf in Bendigo in April this year, with a score of 14-9. WA dominated the face off contests coupled with match fitness and the hard work in the centre by the midfielders, enabling their attack players to control the tempo of the game. Coach Glenn Morley's strategy with the premise of "don't defend a lead" was one of the hallmarks of WA's game and so the offense kept up the pressure until the end. Morley said, "The win was a reward for the effort and professionalism the boys showed throughout the campaign. They were a united team who put in a dominant performance in winning the National Championship and I couldn't be prouder."
