VISION:

Lacrosse WA aims to be an innovative and well recognized State Sports Association, building and developing a sports system which positions lacrosse as an inclusive, visible, dynamic and successful sport in Western Australia.

MISSION:

Lacrosse WA aims to provide leadership through the delivery of quality sports services and programs which ensure increasing participation for all level of lacrosse (players, coaches, officials, administrators), and deliver national success.

REPORTS – BOARD MEMBERS

2017 PRESIDENT'S REPORT

Murray Gates

Lacrosse WA started the 2017 season with a number of Board positions vacant and this caused some aspects of our administration and policies not being reviewed or updated before our season began. This was especially the case when it came to our Regulations. We need to ensure that our sport is administered the same way whether this is for boys, girls, men's or women's lacrosse in WA. As such the new Board will need to do a complete review and update of these Regulations before the 2018 season is to begin.

During the season we were able to welcome the following people onto the Board:

Aaron Williams (Phoenix LC) as Director of Men's
Lynne Anderson (Bayswater LC) as Director of Promotions
Bruce Banyard also resigned his position as Director of Finance and filled the vacant Director of Women's portfolio.

I would like to take this opportunity to thank all the members of this year's Board for the hard work each has done to fulfil their commitment and requirements to each portfolio.

Also, I would like to acknowledge the following people for their hard work to ensure lacrosse in WA progressed as required during the season.

Roxanne Leavy, Executive Officer (paid and volunteer roles)
Jamie-Lee Bartle, Admin Assistant (paid and volunteer roles)
Margaret Morley, Office Assistant (volunteer role)
Michael Gates, LWA Life Member (volunteer role) for keeping our financial accounts in order.

Lacrosse WA still has a number of challenges ahead, but the more involvement we get from the local lacrosse community, the easier these challenges will be contested and this will only strengthen lacrosse in WA.

2018 already looks to be a most interesting season. We will see the introduction of a new club, the Men's World Series being played in Israel and Lacrosse WA is only months away from introducing a lacrosse app, which will cater for our needs here in WA.

As this is my second year of being President, it's my intention not to stand again and I would like to take this opportunity to wish the new President and the incoming Board all the best for 2018. To our members I hope you all have a safe and happy festive season and the best of luck for the 2018 season.

2017 DIRECTOR OF MEN'S LACROSSE REPORT

Aaron Williams

I would like to firstly take this opportunity to congratulate all clubs and participants for their efforts and conduct throughout the 2017 LWA Men's lacrosse season.

Congratulations to this year's Premiers East Fremantle winning SL and D3, Wanneroo-Joondalup winning D2 and 17's Boys, East Fremantle winning 15's Boys and Phoenix winning 13's Boys.

Also individually, congratulations to our Fairest and Best winners. State League – Mitchell Kennedy from East Fremantle. Division Two - Stuart Walker from Wanneroo-Joondalup and Division Three – Cameron Walker and Kristopher Fenn both also from Wanneroo-Joondalup.

Aaron Salter (Subiaco) and Luke Ernst (East Fremantle)

Mitchell Kennedy was also awarded the O.C Isaacsen Trophy for the Fairest and Best Men's player in Australia. A huge achievement with the calibre of the talent in Australian Lacrosse. Congratulations Mitchell.

The majority of decisions required to ensure the men's lacrosse season ran smoothly, were handled by the Men's Lacrosse sub-committee. This committee met bi-monthly and discussed various issues throughout the season. Some of these items have now been accepted by the LWA Board and are part of our Policies and Regulations. I thank the members of this committee for their assistance during 2017.

During the 2017 men's season we had numerous changes to teams participating in our competitions. In State League (5 teams), same as 2016. In Division Two (6 teams), Phoenix combined with Subiaco and managed to make the Grand Final. Division Three (8 teams).

Even with these small numbers of teams participating, we still saw competitive games in all grades.

This year's finals were hosted by Wembley Lacrosse Club and the LWA Board thanks Wembley Lacrosse Club and its members for conducting an excellent finals series.

Thank you to our Coaches and Managers of our State and Regional Teams, without volunteers for these positions the teams would not be in a position to attend ALA Championships or Tournaments.

2017 DIRECTOR OF WOMEN'S LACROSSE

Bruce Banyard

Firstly, I wish to congratulate all clubs and participants for their conduct and efforts throughout the 2017 LWA Women's lacrosse season

The Women's competition continues to operate under a sub-committee structure and I would like to thank those members who sit on the Committee on behalf of their club:

Faye Beaman
Suzanne Kirkby
Steph Gaegler
Susan Milne & Christine Rudderham
Aaron Williams
Adele Ackland & Ange Somerville
Michelle Rohrlach
Bruce Banyard

Special Projects
Officiating
Bayswater
East Fremantle
Phoenix
Subiaco
Wanneroo-Joondalup
Wembley

The sub-committee met over the season and discussed various issues to ensure communication and professionalism was maintained across the women's competition, with monthly reporting back to the Lacrosse WA Board.

In 2018 it is a priority to conduct umpiring sessions prior to the season with all players required to attend one. It is imperative that ALL players work to improve the standard of umpiring.

Bec Banyard (Wembley) and Jessica Kennedy (East Fremantle)

Each incorrect rule application is frustrating for all players, coaches and spectators.

Currently the bulk of our umpiring continues to be undertaken by a small group.

The Women's Sub-Committee is appreciative of the work carried out by the Junior Lacrosse Council. The change in junior age gradings (especially 13's & 17's) continues to improve the standard of these competitions.

The 9's competition was fun for all competitors and the player's skill development was terrific to witness. Although numbers remained low in this grade it did not deter our youngest members (and their parents). Their commitment on show with participants needing to get to the ground before 7.30 most Sunday's to prepare the fields.

The lack of numbers though continues to be a problem which needs to be addressed if it is to also become a positive start to players and parents involvement in lacrosse.

Once again we had very competitive games across all grades.

Thank you to Wembley Lacrosse Club and their organising committee for the 2017 Junior and Senior Finals. The Grand Finals were once again played on the same day as the men's, with fantastic weather and great crowds.

Hannah Brown (Wembley)

Thank you to the Coaches and Managers of our State and Regional Teams, without volunteers for these positions the teams would not be able to attend the Championships. WA was also well represented at a National level with umpires attending all Championships and the U15 Tournament.

Season 2017 was at times frustrating and difficult.

During the year there were changes to improve the game

- Game times
- Updates to bench official's procedures
- Safety, in particular, helmets. Guidelines created:
 - Must be made for lacrosse
 - Or, as a minimum, must meet the standards
 - Issues regarding retesting

There are still many challenges that women's lacrosse needs to tackle to ensure our progress forward is not hindered. Lacrosse WA will review the regulations (both men and women) over the summer to minimise unnecessary differences and ensure consistency throughout the document.

In 2018 there will be a number of rule changes (possibly) due to a new FIL document.

2017 DIRECTOR OF OFFICIATING REPORT

Kellie Morley

Having completed my first year as the Director of Officiating I acknowledge there are numerous improvements to be made for season 2018. It is a difficult Director position, one that stretches across both men's and women's lacrosse, however because the men's officiating side is mainly operated through ALRA I have not spent any time delving into their processes and procedures.

Over the last few years we have successfully increased the number of junior officials through the Junior Officiating Program. The first of these officials has now moved into Phase 3 of the program and officiating regular junior matches. It is important that all coaches, players and supporters ensure that the game day environment remains positive with a high level of respect and dignity shown across all groups so that these officials can be retained for future years.

Whilst continuing to build on the Junior Officiating Program our focus now splits to improving knowledge and on field application of officials. We must work hard to increase the number of accredited men's and women's officials. Over the off season I will discuss ways forward with the ALRA for men's officials and conduct accreditation clinics for women's umpires. These events will start in February.

On a National level, Lacrosse WA once again provided the required number of officials to attend ALA Championships and Tournament. These officials take leave from their employment and families, along with associated accommodation costs to ensure we met our requirements as stipulated in the ALA By Laws. All referees and umpires performed admirably and are to be congratulated on their professional approach to these Championships and Tournaments.

LWA was also represented on the world stage this year with three umpires (Steph McRae, Nicole McKenna and myself) and off field official (Suzanne Kirkby) attending the FIL Rathbones Women's World Cup in Guildford in UK.

Umpire Sue Milne (East Fremantle)

Referees for 15's Boys Grand Final

I wish our aspiring men's World Championship referees and assessors the best of luck as they wait to hear if their nominations for Israel in 2018 have been approved.

Thank you all for your support and providing me with the chance to be involved at this level so that I can help provide opportunities for many to help us grow the game we love along with improving the standard of our match officials.

2017 DIRECTOR OF HIGH PERFORMANCE

Hannah Brown

2017 was a fantastic year for LWA High Performance, and I would like to thank everyone who volunteered their time, as coaches, players, officials, and event organisers for their dedication throughout the year. I would also like to thank Annabel Wills for helping create a seamless transition as I stepped into my new role.

After being reviewed by Sport and Recreation WA, we have identified several areas within High Performance to engage with the strategies set out to improve LWA.

- U13's—Continual Development for Girls and Implementation of a Boy's side
- U15's –Coach Development and High Performance Skill Development
- U18's –High Performance Skill Development
- Seniors—High Performance Development
- Coaching—Early identification, Development and Mentoring
- Officiating—Liaising with Director of Officiating

The year started off strongly with our Under 18s heading over to Melbourne to participate in the 2017 ALA U18 National Championship. Head Coach Alana McKinlay had another brilliant tournament, leading her team to their second consecutive Championship. The Boy's team, coached by Gavin Leavy, was in a development stage with a high percentage of younger players. They had a building year, finishing in third with a 2-2 final record. Great efforts by both of the teams and a big congratulation to the following players for being named All-Stars: Ryan Hockey and Tom Barrett from the boy's side, and Kate Churchward, Libby Blair, Emma Graham, Emily Wills, Rhiannon Panting, and Karri Somerville, also tournament MVP, from the girl's side. Alana McKinlay was named All-Star Coach for the second year in a row.

Back to Back U18 Girl's National Champions

Our senior state team campaigns were close contests with the majority of the state teams being filled by Aussie players. The Men's team, coached by Glenn Morley, saw a very tight playoff round with WA beating VIC, VIC

WA Senior Men's Lachlan Walker (Wanneroo-Joondalup)

beating SA, and SA beating WA. It, unfortunately, went to goal differential with WA down by one goal in the ladder and playing in the bronze medal game. However, they won their final game and finished with a record of 3-1. The Women's side, coached by Geoff Goddard, had a close match against SA in the playoffs, with the game being decided by a goal to SA in the final 15 seconds. The Women's side ended up finishing in 3rd as well with a 2-2 record. Great efforts by both of the teams and a big congratulation to the following players for being named All-Stars: Stuart Bentley, Isaac Cahill, and Daniel Kennedy from the men's side and Ashtyn Hiron from the women's side.

Bayswater Lacrosse Club hosted the Under 15's tournament on behalf of Lacrosse WA in September of this year. WA was represented by the Stars and Flames girls' teams, and the Southern Braves and Northern Thunder boys' teams. Northern Thunder, coached by Matt Angwin, went down in a 2016 GF rematch to come 2nd in the tournament, while Southern Braves, coached by Warren Brown, finished 4th in the tournament. The girl's side, saw a different structure as there were nine teams in the ladder this year. It was a more strenuous tournament with a very close ladder and talent pool across the board. The Stars, coached by Gerard Wills, won their bronze medal game coming in 3rd. The Flames, coached by Gavin Leavy, finished in 7th, improving from their 8th place last year, winning their final match.

This year LWA continued to support the development of the Under 13's Invitational, which Bayswater also helped organise at the same grounds. Annabel Wills was instrumental in the planning and ultimate execution of this event. Instead of having different teams play on a ladder, the 26 WA girls and the 3 SA girls played in a squad. The coaches, Maddy Koelmeyer, Kirsty Graham, Courtney Moulton, and Apryl Richards, reorganised the teams before each match. On the Wednesday of the tournament, several past Aussie players came down to help run a development training camp for them—in specific skill sets. It was a successful event, and I hope it will continue to grow and take on a more permanent form as the development aspect has helped the home WA U13's grouping.

2017 U13's Development Team

2017 was also a big year internationally for the Australian Women. Elizabeth Hinkes, Bec Banyard, and Ashtyn Hiron represented Australia, both in the FIL Rathbones World Cup in Guildford, England and the World Games in Wroclaw, Poland. The World Cup saw a very tough and tiresome playoff game against Canada to get into the Gold Medal match. Australia ended up going down by one goal in multiple overtimes. After that intense match, Australia went down to England in the Bronze medal game to finish 4th in the Cup. In the World Games in Poland, Australia exacted their revenge, beating England to claim the World Games Bronze Medal.

2017 Australian Women Team players

Our next step in high performance is work with Sport and Recreation WA to create a more sustainable High Performance structure. This effort includes bringing in experts on nutrition to talk to our state teams, and strength and conditioning coaches to work with the different programs representing WA. These will be implemented with the support of the High Performance Committee.

Thank you to the LWA board for your continual support of High Performance, and Annabel Wills for the handover of this office. I would like to offer a special congratulation to all of the state and international representatives. The time and dedication of the coaches, managers, officials, players, and parents is acknowledged and immensely appreciated.

Ashtyn Hiron (Phoenix), Bec Banyard (Wembley) and Elizabeth Hinkes (Wembley)

2017 DIRECTOR OF DEVELOPMENT

Bill Bowran

2017 has been a challenging and rewarding successful year in many ways in the area of development and junior lacrosse.

There has been an enormous amount of work by LWA in new areas and most clubs have grown their junior participation in their zones. The work being done behind the scenes by a number of people has given us some outstanding results.

Lacrosse WA funding from Healthway makes it possible for us to run the 'Smarter than Smoking' School Modcrosse Program, which includes Modcrosse sessions in schools, lightning carnivals and any other special events which includes regional and priority groups. This year the Smarter than Smoking Modcrosse Program was rolled out by LWA with the emphasis on Clubs managing their allocated zones with a priority for those schools in their zone and with their dedicated development officers reporting back to Peta Hiron at LWA. Peta did a great job collating the database from the clinics and checking development officer payments prior to the clubs being re-imbursed by LWA.

LWA "Smarter Than Smoking" Development Officers

We have recognised a number of items each club need to focus on and deal with to improve their recruitment and retention structures at each club.

We believe that the Healthway lacrosse clinics need to be facilitated by players from the clubs that are closest to the schools. However, to do this every club needs at least 6 people trained and available. Also a club co-ordinator needs to ensure that their club is doing the right thing, continue to allocate clinics appropriately and to deal with improvements in the system.

Clubs need to have more than one person responsible for recruitment and retention, and its needs to be the main focus of every club.

We believe that clubs should be moving forward together in a similar structure so that we can all work together towards a common goal.

In 2018 Clubs will need to introduce Quick Stix/Modcrosse for age groups 5-9. We believe that Quick Stix/Modcrosse will be the way that we can gain the leverage in player numbers to create new as well as sustainable lacrosse clubs.

In 2017, Smarter than Smoking Development Officers from various clubs, attended primary and secondary schools and delivered a considerable number of Modcrosse sessions to many schools. There was also many sessions funded by the clubs over and above the Healthway budget.

Number of schools attended up to November 2017: 103

Number of Modcrosse sessions conducted: 1366

LIGHTNING CARNIVALS AND EVENTS

1. Southern Central School Sport Association Summer Sofcrosse Carnival -Sutherland Park March 2017 - Canning Vale, Bletchley Park, Campbell Primary, Piara Waters, Caledonia, Excelsior, Ranford Primary Schools
2. CDSSA Modcrosse Carnival March 2017- East Fremantle Lacrosse Club- Bibra Lake, South Lake, Samson, Coolbellup Community.
3. Smarter than Smoking John Forrest Senior Carnival Day
4. Catholic Schools South Carnival: St Patrick's, St Piux, ST Benedict's, St Columba's, Our Lady of Fatima, Our Lady of St Carmel
5. Maguire School Carnival, Altone Park-Anzac Terrace, East Beechboro, West Beechboro, Beechboro, Lockridge District
6. Maguire School Carnival Altone Park-Upper swan, Rawlinson, Hampton park District.
7. Atwell Reserve – Atwell , Harmony, Jandikot, Aubin Grove.
8. Hammond Park Beelair Success Yangebup, Hammond Park
9. Ellenbrook –Swan Christian, Malvern Springs, Arbor Grove, Anne Hammersley, Aveley, Ellen Stirling, Ellenbrook.
10. Wembley Winter Carnival –Highgate, Wembley, Subiaco, Mt Hawthorn, West Balcatta
11. Oceanside –Kinross/Mindarie/Connolly, Beaumaris district
12. Kingsway Carnivals (x4)-Wanneroo district, Greenwood/Woodvale district, Carnaby Rise/Madelay /Ashdale district.
13. Interschool matches

Lacrosse WA would like to thank Healthway for their ongoing support. I would also like to thank Peta Hiron and Gregor Wild for their considerable dedication to the development of the sport in schools in 2017.

A huge amount of hours of volunteer work went into keeping the STS Modcrosse Program progressing throughout this year.

We have had a huge program of Modcrosse development happening in the Ellenbrook area this year and there is a strong push to develop a Junior club in the area for the 2018/2019 season. We will also have the addition of Perth's newest club Alkimos Pirates who will be working on development into the northern beaches in 2018. It is the intention of LWA to develop another new zone in 2018.

While the Smarter than Smoking Modcrosse Program has been a major source of recruitment for the 6 clubs, and soon to be 7, we recognise that for the sport to grow, there is a need for other programs with a greater focus on recruitment. With this in mind LWA will be working with ALA for the rollout of the Quick Stix program to schools and clubs for the 2019 year. ALA has managed to obtain the backing of the Sporting Schools organisation which will assist schools with additional funding for Quick Stix programs and equipment for 2018. Sporting Schools and the Quick Stix program will enable both metropolitan and regional schools who have not been able to be involved in our STS program to develop the schools Quick Stix program and bring more students to the sport of lacrosse.

Lacrosse WA continued to support the 11's Wind-Up and LWA Junior Lacrosse Wind Up in 2017.

I would like to acknowledge our 2017 Junior Lacrosse Committee representatives: Amanda Plummer (Wembley), Bev Leavy (East Fremantle), Aaron Williams (Phoenix), Chelsea Toy and Joe Cahill (Subiaco), Nic Chapman, Lachlan Walker, Sharn Muffett, Dennis Holman (Wanneroo-Joondalup), Chris White and Rachel Anderson (Bayswater) and Ian Mcrae (ALRA WA). It has been a privilege to chair this Committee and to work with all of its dedicated members.

We need to make growth, development and junior playing numbers our number one priority in every club.

REPORTS – CLUBS

2017 BAYSWATER LACROSSE CLUB ANNUAL REPORT

Jesse Bowland Curtis – President

2017 was a rewarding season for the Bayswater Lacrosse Club with a real focus on the recruitment of new members. The appointment of a Director of Recruitment this season enabled the Club to infiltrate in to, and build ties with, a number of schools and within our catchment area.

The Club is in a very strong position to continue the recruitment drive in 2018 and implement, for the first time in a long time, a full season Modcrosse program: the program being crucial in attracting and retaining younger players. We look forward to the return of American, Jack Glasbrenner, in February 2018 who will have a significant role in the 2018 recruitment drive.

This season the Club has set out and achieved many of its goals.

Firstly, after a number of years of negotiations, the Club has entered into a lease in favour of our premises, with the City of Bayswater. The negotiation and finalisation of the lease enabled us to undertake much needed repairs, maintenance and facility upgrades to our clubrooms. I would like to extend a huge thank you to the Olofsson family, Mark Graham and all the volunteers involved in the club room upgrades this season.

Opening Ceremony – 2017 ALA U15's Tournament

The Club also spent considerable time in 2017 on the Modcrosse program which was ran by a number of our great volunteers including, Ian, Julian, Emma and a number of junior members. We had approximately 55 new kids over the course of the program which was a great turnout and a significant increase in participants when compared to previous years. Gregor Wild has done an outstanding job in organising the program and infiltrating local schools, while the City of Bayswater provided much needed advertising through various social media platforms. With the large expansion in the Modcrosse program the club invested a significant amount of funding for the purchase of helmets, sticks and protective equipment for new players.

To top off a massive season, Bayswater Lacrosse Club was very honoured to host the 2017 ALA Boys and Girls Under 15's National Tournament in October. In anticipation for the tournament, the Club received further funding for a between-field-net and change room upgrade project. I would like to extend our gratitude to the City of Bayswater for the additional funding and ongoing support in making our Club great. A further thank you to Carole Bowland for her work in managing the projects, including the applications for funding, to ensure they were completed in time for the tournament.

The ALA Under 15's tournament ran extremely smoothly and was a great success. This would not have been possible without the small, yet dedicated and talented tournament committee, including Paula Olofsson, Faye Beaman and Carole Bowland. The Club was fortunate to be able to call on its Life Members to assist with the Tournament, which required enormous amounts of work. A special thank you to Lloyd Morley, Kel Hollingbery, Rob Taylor, Terry Riordan, Ken Cooper, Margaret Morley, Ian Misich, Murray Gates, Michael Gates, John Keesing who all contributed to the Tournament being such a great success. In addition, a heartfelt thanks is extended to all the volunteers who contributed throughout the week with a special mention to Jan Walters, Nicole Clarke, Kylie Cockman, Sue Kirkby, Pam Brown, Penny Sneddon, Lisa Bell, Todd Keen and Sussan Frazer. It was a great week of lacrosse to be involved in and the feedback from lacrosse members across Australia and New Zealand was very positive. Delivering such a fantastic event for the entire week wouldn't have been possible without our wonderful volunteers and dedicated committee.

2017 13's Boy's Runner Up Fairest and Best – Liam Bryant

Acknowledgements

On behalf of Bayswater Lacrosse Club, we are especially thankful to the Committee, players and volunteers who made this year a success, namely;

- Paula Olofsson, Carole Bowland, Yianna & Alexia Christodoulakis in the Canteen;
- Lloyd Morley and Wayne Hollingbery for their help in maintaining our facilities;
- Sue Kirkby, Nicole McKenna, Carole Bowland, Evan Walters, Leslie Wild, Julian McGrath and John Keesing for their efforts as officials;
- Gregor Wild and his development officers for their work in School Clinics and junior development;
- Glenn Morley, Mike Burton, John Keesing, Murray Gates, Liz Shields, Rachel Anderson, Emma Green, Mark Taylor, Warren Brown, Lloyd Morley & Julian McGrath for their work in coaching;
- Margaret Morley for making amazing Thursday night meals for Senior Men.

2017 LWA All Stars

Josh McDavitt and Bec Bowland Curtis

A further thank you is extended to all of the assistant coaches, junior umpires, team managers, scorers and timekeepers who tirelessly help our teams get on the fields each week.

I would like to acknowledge the enormous contribution Carole Bowland has made to the club over a large number of years, and in a variety of Committee positions and club roles, including officiating, canteen manager, event coordinator, cleaning, funding applications and recruitment. The Committee is very sad to be saying goodbye to Carole which has created a tremendous gap in our Club, however, we are looking forward to see what she can achieve with other organizations within the lacrosse community.

We would not be able to achieve the successes we have achieved without the continued support of our incredible sponsors. I would like to acknowledge and thank all of our sponsors, but in particular:

- Kim from Celebrations at Charlies;
- Matthew Tatlow from Budget Woodcraft;

It is the commitment of our volunteers and sponsors that makes Bayswater such a strong club now and moving into the future.

2018 Australian Men's Squad players – Thomas Graham, Josh McDavitt & Max Rowse

Finally, I would like to congratulate all the Bayswater players who were selected to play for state teams and those players who were recognized for their outstanding playing achievements. Bayswater Lacrosse Club was well represented in 2017 state competitions with a large contingent of players competing in the under 15's, under 18's and senior state teams. A special congratulation to Thomas Graham, Joshua McDavitt and Max Rowse who remain in the 2018 Senior Australian Men's Squad. Also congrats to Joshua McDavitt and Rebecca Bowland Curtis who were selected in the All-Star teams at the Lacrosse WA Presentation evening.

Thank you again for all your support this season, we look forward to being bigger and better in 2018.

Bayswater's 2017 "Best Club Team" – Union

2017 EAST FREMANTLE LACROSSE CLUB ANNUAL REPORT

Tony Martella - President

Although having served on previous club committees and in various roles during my time with the club, this was my first as Club President. It was a role I undertook with a degree of anticipation and excitement as well as some trepidation. Having not done the role previously and knowing that managing expectations, attitudes and individual dynamics across the diversity of members would be essential in achieving club outcomes and success.

In taking the position, I was also acutely aware of some unmet and unrealised goals of previous years from both a personal and club perspective. It was these goals that I hoped we could overcome and achieve in season 2017.

It's also fair to say that I have found the expectations and demands of the role to be at times challenging and to be frank, difficult for many reasons.

When asked to consider standing, my primary motive for taking on the role was simply being able to satisfy the question; ***“what could I do for the club to make the club better?”***

East Fremantle/Subiaco Girl's 13's Team

I firmly believe this question is what lies at the heart of why we volunteer and become involved. It is the attempt to answer this question that should be the measurement of achieving 'success' and positive outcomes as a club.

By natural extension, this was the same expectation and standard I would apply to all club members and especially the Board in achieving results and contributing back to the benefit of the club.

Whilst a simple question on the surface, the reality is it's not as always easy to honestly answer nor was it always possible by some.

As club members, we all primarily undertake roles as volunteers, as a way of giving back and helping perpetuate its ongoing future as well as for the sport itself.

By undertaking the role, any eventual 'success' achieved ultimately comes from the overall commitment to achieving positive results, working together and a unity of collaboration amongst club members.

Results

By any measure, qualifying for 8 of 12 grades in finals and ultimately succeeding in winning 5 of 7, 2017 has been not only an extremely successful year for the club, but has also been due to the culmination of a substantial amount of lead up work and effort.

To the club teams across all the grades, I was not only extremely pleased, but also gratified by their effort and work that each demonstrated and achieved. Additionally, the EFLC Board were working hard behind the scenes in making sure objectives were met.

Great cooperation and support was also demonstrated between Subiaco and East Fremantle in combining players. Travel between each club for training also worked well and each player and parent supported the concept of a combined team without any major difficulty.

A special thanks to Anna Forrest and the Board of SLC for working with EFLC to make this possible as well as supporting the partnership between the clubs.

Premiership Teams

Our successful teams in 2017 were:

15 Boys, 17 Girls, Division 3 (undefeated), A Grade, and State League.

EFLC fielded teams in all grades (except the 9's Girls) in season 2017.

This was especially pleasing and a positive step in reaching an important KPI of our existing strategic/operational plan.

Across the grades/teams, areas of participation levels, introduction of new players, volunteer support, junior recruitment, school's programs, was very much apparent. It was a fantastic effort by those involved and helped deliver the results achieved across the club, I sincerely thank them all for their efforts.

Trophy winners - siblings Jessica and Mitchell Kennedy

Individual Milestones

- Kuljak Medal Winners, Cam Evangelho and Madison Copeland voted Best Player in their respective Grand Finals.
- Lacrosse WA's Association Awards night, Mitchell Kennedy won the Cann-Griffin trophy for highest point scorer, State League Fairest and Best and made the LWA All Star Team.
- Mitchell Kennedy also capped off arguably his most successful year so far, winning the O.C. Isaachsen Trophy for 2017 Best Male Player in Australia.

Important to note that, Mitchell is the 4th recipient of Kennedy family to win this award. Brother Daniel 2014, his father Jeff in 1987. Sister Jessica Kennedy, won the Women's equivalent, The Shelley Maher Trophy in 2013.

- Jessica Kennedy won the Association's A Grade Fairest and Best and was a finalist for the Shelley Maher Trophy for 2017.

LWA

As a parting comment, I would like to give special thanks to Murray Gates as the outgoing LWA President. Under the leadership and oversight of the current Board and secretariat, the work and effort they have been able to implement has been greatly appreciated and is acknowledged.

Special thanks to our club members involved with the ongoing work and support with LWA responsibilities in Greg Peacock – LWA VP and Bev Leavy – LWA JLC member.

We look forward to continuing to work with LWA into the future.

Other Teams

The remaining A Reserve, Division 2, 17's, 13's and 11's teams all had good seasons respectively also. Based on playing numbers, competitiveness and overall participation and engagement, EFLC is generally pleased with how each are tracking and expectation for 2018 are sound.

Special Projects/Development

As all clubs are acutely aware, the need for junior recruitment and participation remains the most important strategy for whole of club.

Next year, the continuation and extension of the 2017 Schools Based Programs will be the major development program and initiative EFLC will engage with. In addition, and as compliment, the implementation of a Saturday Quick Stix/ Modcrosse competition will take place as a priority.

EFLC Board and its members

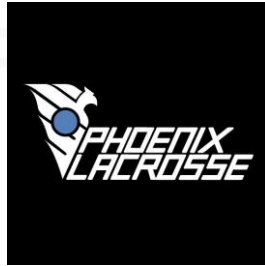

To the 2017 Board, all the club members and supporters, I thank them for their commitment and efforts in the outstanding year that was season 2017. I look forward to next season with great anticipation. The 2017 AGM was held on the 26 November with all positions filled.

2 additional positions have also been created in Club Registrar and Director of Officiating. Both positions we believe will help in making better efficiencies in the overall management of the club.

We look forward to season 2018.

2017 State League and A Grade Premiers

2017 PHOENIX LACROSSE CLUB ANNUAL REPORT

Aaron Williams – President

We have had some very successful on-field results in recent years and this season was no different. But the measure of success of any Club, is what transpires off the field. The culture, the family support and satisfaction and the much quoted 'enjoyment factor' are critical indicators, we as a club continue to strive to achieve. I hope we have gone most, if not all the way, in delivering these elements to our members.

To all our teams, as a general comment across the Club, we say thank you for your outstanding efforts during the year. Thank you for the way you played the game, and thank you for playing in a spirit in which you did your club proud as well as your parents and yourselves. To all our coaches and managers, thank you for your ongoing efforts during the year. The success of our Club and the enjoyment our players and parents receive each weekend is due firmly to you.

At season end, many of our players will receive awards. We acknowledge all of these achievements. However, while some players will receive recognition of their specific performances, lacrosse at the end of the day is a team game and all results are contributed to by everyone in the team. Every player is to be congratulated on their effort and performances across the season – you all deserve equal commendation and attention from your coaches and managers and from us as a Club. Thank you again, and we hope you all enjoyed your season.

2017 Minor Premiers and Premiers Boy's and Girl's 13's Teams

It is however appropriate for me to mention our successes this season:

- Our 4 Grand Finalists – the 13's Girls, 13s Boys, 15's Boys and our combined Division 2 team with Subiaco – with both 13's team successful in winning their final and both ending up as Minor

Premiers. Congratulations to all of these teams. I also need to mention that Phoenix Lacrosse Club was the only club that had every junior team play finals.

- Our players who won various LWA awards for 'fairest and best performances' in their grades – Libby Blair in 17's Girls, Nick Brothers in 15's, Ethan Moir in 13's Boys and Ocea Leavy Runner Up in 13's Girls.
- Ashtyn Hiron represented Australia and Western Australia.
- Libby Blair was selected in the Western Australian U18's and Senior Team. She was also selected in the All Star team for the U18's tournament.
- We had four players represent WA in the U18s tournament Nick Brothers, Jack Murphy, Tom Moulin and Michael Stobie Morris.
- Miles Blair won the Runner Up Fairest and Best in State league for his club in Victoria.
- Again we have had one of our players honoured with the role of Captain of the Braves team, Ethan Moir. We have 8 players in the current Braves Team and 8 players in the Flames and Stars teams for the U15's National Tournament. Along with this success is the kids who received MVP's for some of their games.
- We had numerous Junior players play their first seniors game and many junior play their last Junior games.

2017 Women's Australian Team player – Ashtyn Hiron

What this shows, is our Juniors are doing great things and Phoenix has a massive future. Our teams for next year are going to be strong, so we want everyone back next year for the next wave of success.

3 times Girl's 17's Fairest & Best – Libby Blair

Our 'volunteers' are our lifeblood and thanks must go to everyone who helped with scoring, packing kits, managing boundary markers, providing transport, weekly trainings, canteen, cleaning and generally providing a fun and supportive environment.

In moving on, we need to take time to pay tribute to a fantastic Committee. My time as President has been made ridiculously easy by the tireless efforts of an amazing group of people who continually and unselfishly work extremely hard for our Club. I cannot speak highly enough of your Committee and can only emphatically state that your Committee is very committed to improving the opportunities and environment afforded our players, and their families, both on and off the field. I also must thank my family who have put up with my lacrosse commitments. I appreciate their understanding of what I am trying to achieve for the club and Lacrosse. Off the field your

Committee has made some major strides in improving what we do and how we do it. We have developed key policies across a number of areas; we have improved the financial position of the Club; we have endeavoured to nurture our culture while offering a new 'face' and approach in various areas; and we have taken steps to entrench a consistency of strategy and activity from year to year. I firmly believe that we will see the fruits of this over the coming seasons with a continued focus on culture, opportunity and enjoyment.

This Club rises and falls on the backs of those who volunteer their time. I personally want to thank Pat Blair, Helen Moir, Tam Grayson for all their work in the canteen. John Kelly for his work in the bar and Cameron Blair and Jeremy Scott looking after the grounds and equipment. If you have the time and the ability to contribute, then I ask you to consider putting your hand up for the Committee to ensure the longevity of the Club in the years ahead. Much of the hard work has been done in progressing down that path – all we need are the resources and people to keep things moving along.

We have completed our 3 year plan that got us to this point and now we head into the Next Chapter....What does that look like.

- Development! We need to continue to develop our juniors but now I believe there needs to be a strong emphasis on our seniors. We need places for our junior to grow. Our plan is for a Division 2 team for the 17's to play in and a Division 3 for the stalwarts and new comers to the sport. After a massive amount of work, we have secured the services of an ex-Australian player and coach who is prepared to coach and play for us. More information will be distributed once it is all confirmed.
- There will be strong discussion with regards to how we progress the senior women's, again, we need somewhere for our Union ladies to play and a place for the Junior girls to grow.
- The committee continues to review our current location and opportunities to expand to another facility. There has been a huge amount of time allocated to this by a small group of members. Once we have more information, we will share this with the members.

2017 SUBIACO LACROSSE CLUB ANNUAL REPORT

Anna Forrest – President

2017 was an exciting year for the Subiaco Lacrosse Club, notwithstanding the usual challenges that face the game; growth, and player and volunteer numbers.

We started with several fresh faces on the Club Committee and a revamp of our website and social media platforms.

We imported 2 new US players, goalie Chris Hawley and all-rounder Blake Wood, for the Men's State League Team, and added new dynamic coaches, Paul Fisher for State League and Andy Neville for Division 2.

To top it off, our State League team had its first win in a long time, against Wembley at the traditional Anzac Day season opener! An exciting game and rewarding finish. The State League team came close to more wins during the season, going down by 1 goal twice and not much more in a couple of other games. Bring on Season 2018.

In the Senior Men's teams, the pressure on player numbers saw Subi combine its forces with Phoenix Lacrosse Club to field Division 2 and 3 teams.

It was an excellent choice, with both teams able to put players on the field in most games. Division 2 allowed recently graduated junior men to play in an appropriate division to expand their skills and learn how to play with the big boys. Divi 2 had an outstanding season, coming home with a big finish to play in the Grand Final against Wanneroo-Joondalup. We lost, but we are excited about next year.

The combined Divi 3 team allowed our more mature players to play the sport they love, despite the complaining from the moment the first quarter whistle sounded and the overpowering smell of gallons of Metsal needed to get them on the field.

Geoff Goddard again graced us with his coaching skills for our Senior Women players. Subi A Grade women played hard, but managed only 1 win for the season. The team Geoff had worked hard on in 2016 lost half its players to work and overseas commitments, so is in a rebuilding phase again.

Congratulations to Courtney Ackland and Karri Somerville for their selection in the Lacrosse WA All Stars team, and for Courtney's achievement as the highest goal scorer in the 2017 competition, there should be an LWA trophy for this accomplishment.

2017 Highest A Grade goal scorer – Courtney Ackland

A Reserve fared better, struggling at times during the year to field a team, but came home with a bang to play in the 2nd Semi-final, losing to Bayswater. Well done ladies and Ange Somerville, who holds it all together.

Junior Girls - Our girls 13's team was combined with East Fremantle to allow both clubs to put players on the field. The Subi girls trained at home and at East Freo and had an excellent experience, so much so that they made it to the 2017 Grand Final. It was a spirited performance on the field, but they didn't get the trophy. Thanks to Jess Kennedy and all the parents who helped get the girls to the games.

The Subi 17 girls' team is made of a bunch of wonderful young ladies who only started playing last year. They had a few wins, and many losses, but they love to play the game. They are a team for future.

Junior Men - Our three 17's players ran out with the Phoenix team, our 13 boys team, made up of last year's 11's players, learnt a lot during the season; while the Apache's, the Boys 11's team was undefeated for the season, an outstanding result.

At the beginning of Season 2017, it wasn't looking too good for our 15's Boy's, just short of players to be confident Subi could field a team. Our boys were asked to help out East Freo, 8 out of the combined teams 15 players were from Subi. The teams trained separately at their clubs, coming together on Thursday nights to benefit from senior players and Coach Gavin Leavy's experience. The team made the Grand Final and WON. What a fantastic end to the season. Congrats to the players and coaches from both Clubs.

Revising a former event, SLC hosted a successful Gala Day comp for men and women in 2017, and intends to keep the event going next year and beyond, extending it to include Girls, Boys and Masters as a pre-season warm up.

2018 Australian Men's Squad player – Isaac Cahill

One of the things that the Club believes is damaging the game is the \$55 insurance charge per player for taking the field for even one game. It is a disincentive for players who wish to give the game a go, or those who come back and want to play with old team mates. There must be a better way, it wasn't imposed in the past.

Our outstanding Club Champions this year:

Ashby Dennis & Aaron Salter: selected members 2017 All Star's Team

Karri Somerville & Courtney Ackland: selected members 2017 All Star's Team

Karri Somerville: Player of the ALA National U18's Championship.

Kate Churchward & Karri Somerville: All Star Team selection U18's Championship.

Courtney Ackland: Highest Goal Scorer Women's Comp 2017

Subiaco's LWA All Stars – Karri Somerville, Ashby Dennis, Aaron Salter and Courtney Ackland

2017 WANNEROO-JOONDALUP LACROSSE CLUB ANNUAL REPORT

Steve Mellor – President

This year has been another good year for the club, which saw us incorporate Joondalup into our club name to recognise our location within the City of Joondalup. We look forward to exciting times ahead with the redevelopment of our home grounds at Penistone Reserve in Greenwood, and some friendly competition with a new northern lacrosse club, the Alkimos Pirates.

The Penistone Reserve redevelopment will provide great opportunities for the club, particularly with new clubrooms and other facilities, such as extended parking. The linking of the lower and upper fields by removing the roadway will provide greater and safer access for our junior and senior players alike. The redevelopment has provided some major difficulties whilst it has been in progress but with the expected opening to occur in February 2018, we look forward to a successful 2018 season.

One of our Life Members and several others of our membership have been instrumental in establishing the new club at Alkimos. Whilst we will lose a few of our players, our numbers particularly in Senior Men's teams, are such that the new club is probably a blessing in disguise, and we wish them every success and have committed to providing any assistance we are able to. In addition to the players who will move to the new club, our Chief Development Officer, Dennis Holman, has been providing advice and assistance in establishing local school-based Modcrosse clinics in order to encourage youngsters into the great sport of Modcrosse/Lacrosse.

Our Modcrosse numbers have continued to grow with 157 registered players in 2017 plus a number of others who participated in Summercrosse and our 'Come and Try' Days. We have maintained 100 plus players over the past five years, due to the continued work done in school clinics. Whilst we have received some funding for Development Officers through LWA, the club itself has committed substantial funds to providing school clinics, which has proved the major contributor in getting new people into the sport. One, perhaps pleasing, difficulty we have with increasing numbers, and the position of the new facilities and light-towers, is that we are limited in the number of Modcrosse fields we can have. This means we are almost at capacity in terms of numbers of players, and the club may have to consider finding an alternative, or additional, Modcrosse-suitable field to accommodate greater numbers. Another option being considered is to run two Modcrosse sessions.

2017 Girl's 13's Fairest & Best – Demi Czyski

Our women's teams performed well this year with slightly increased numbers. We were able to field teams in Women's 13s, Women's 17s, A Reserve and A Grade. Whilst WJLC women's teams didn't feature in a grand final in 2017, there were positive signs for the future. A number of our players featured in State Representative Teams, with the U18s Coach, Alana McKinlay coming from our club. We also had two players in the Silver-winning Australian ASPAC team. One of our women's umpires, Kellie Morley, participated in the Senior World Cup as an official.

International umpires

Michelle Rohrlach and Kellie Morley

The last two years has seen incredible growth in our Men's Division with 153 playing members in 2017, compared with 98 in 2015. This major growth has largely come about due to the hard work put into developing our Modcrosse competition over the past decade. These young players are now flowing into our junior and senior lacrosse teams. In 2017 we

fielded 2 x 13's teams, 1 x 15's, 1 x 17's, 2 Division 3, 2 x Division 2 and 1 x State League team. In juniors we won Minor Premierships in 15's and 17's with 17's winning the flag. A number of our 17's players contributed to our Colts team in Senior Div 2 which missed out on a place in the finals by only 1 game, whilst all our other senior teams featured in finals. One D3 team and one D2 team played in Grand Finals, with the D2 team taking out the premiership. We also contributed strongly in representative teams with both players and officials.

Division 2 Cyril Allman medallist – Dylan Hoyne

One of the main issues at WJLC is the difficulty in getting volunteers for the many tasks which need to be undertaken to ensure the successful operation of the club into the future. These volunteer positions extend from committee positions to canteen to providing team managers and referees. This seems to be a problem across many clubs, sporting and otherwise, and perhaps is an issue which needs to be addressed not only by the clubs themselves, but also at an association level. We do recognise the people who do contribute to the club off the field, and we are very appreciative of their efforts, particularly during this difficult year with the grounds redevelopment.

In summary it has been a solid year at WJLC, and it is pleasing to welcome our newest Life Member, Dennis Holman. Dennis has provided invaluable support to our club at all levels over many years, and we congratulate him on his club award. We look forward to an exciting and successful 2018.

Wanneroo-Joondalup Senior Men award winners – Cameron Mulcahy, Cameron Walker, Stuart Walker (not pictured), Kris Fenn (not pictured) and Lachlan Walker

2017 WEMBLEY LACROSSE CLUB ANNUAL REPORT

Mark Bowman – President

The past season has been another outstanding year for the Wembley Lacrosse Club.

We have seen our numbers grow in Modcrosse and junior grades thanks to the efforts of our Junior Committee and all our people involved with the Modcrosse programs. We are always looking for new volunteers from the senior members of the club to help with coaching, managing and umpiring of our junior teams to keep them growing. Remember without these teams we will not have a Club in the very near future.

Our teams have had a very successful year again winning Minor Premierhips and Premierhips in both Men's and Women's competitions. I would like to take this opportunity to thank all our Coaches, Managers and support staff for the hours that they have put into their respective teams.

2017 Australian Women's team player – Elizabeth Hinkes

The success we enjoy on the field does not just happen. I must also thank the people at Wembley that work behind the scenes to make us a very successful and strong Club. I would like to thank all our coaches, bench officials, managers, referees, bar and canteen volunteers who but in many hours and which go a long way towards the success we enjoy as a Club.

There is a third group of people that need to be recognized for the running of the club. These are the committee which I would personally like to thank for all for the time and effort that goes into getting all our teams on the field on match days.

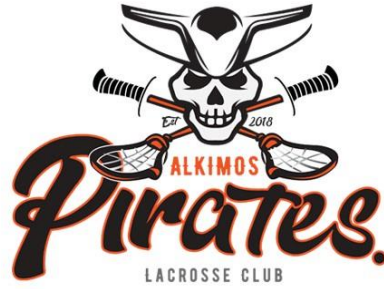

This year the Women's World Lacrosse Championships were held in Guildford England and the World Games played in Wroclaw. I would like to congratulate Rebecca Banyard and Elizabeth Hinkes for their dedication in what is a very long and costly process to make an Australian team.

This year Wembley also hosted the LWA Finals series. This saw some great games of Lacrosse in both junior and senior matches with several games going into extra time to determine a result. I would like to thank all of the Wembley volunteers that helped out to make this a great series. I would also like to take this opportunity to thank all the players and spectators for their good behavior over the finals.

2017 Australian Women's team player – Bec Banyard

I have one last closing observation. As a person that has played and been involved in the game for the past 45 years and seeing the numbers slowly decreasing we need to have a consolidated campaign that must start at the very top with ALA and LWA and all Clubs having one goal and one plan to increase playing numbers in the Modcrosse and junior grades otherwise we will not have a viable competition in the game we all enjoy in years to come.

2017 ALKIMOS LACROSSE CLUB ANNUAL REPORT

Simon Danby – President

Grow the Game:

The theme of “Grow the Game” is the premise for the establishment of a new lacrosse club in Western Australia. The last LWA club was created 40 years ago and just as alarming is six clubs have gone by the wayside during this 40 year period.

One of the primary domestic housing developments in the wider Perth metropolitan area is Alkimos. Situated in the far northern suburbs, there are 22 primary schools and 8 high schools in the catchment area providing great opportunities to attract the untapped juniors and parents to our great sport.

It is acknowledged this initiative will take a huge effort, resources and support over a number of years in order to build the foundations of an established club. The Alkimos “Pirates” has attracted a number of committed members that have a shared vision for growing the game.

The Journey So Far:

Social Media can bring an excitement that cannot be delivered by mouth or paper. The creation of the Facebook page provided the momentum that ultimately turned the idea into reality. Once the idea went viral, excitement came, then support and then the people came to be a part of the movement.

A presentation was made to the Wanneroo-Joondalup Lacrosse Club’s Committee, due to the close nature of (location) the two clubs and the Pirates felt it was important to outline the plan to its neighbour. The Pirates also made presentations to the LWA board, club presidents and Kuljak in an effort to gain endorsement for the establishment of the club and hopefully support in the nature of reduced impost on rules and fees.

Alkimos then took the step of increasing the awareness of its club to the wider lacrosse community through holding a stall at the LWA lacrosse finals and the National Under 15’s Lacrosse Tournament. The club also ran a “Come and Try” day at its home ground, Heath Park Eglinton, with a large number of potential players new to the sport participating.

The club has run two general meetings for its members with the last one on the 3rd of November, the official club launch. The club logo was unveiled in front of over 40 of the lacrosse community and the inaugural steering committee was voted in: President Simon Danby, Vice President Hamish McKay, Secretary Adam Maka, Treasurer Iain Buchan and general committee member (Sponsorship) Brendan Ballarine.

The committee will be finalising the club’s constitution in readiness for the 24th of January where Alkimos will hold its first AGM, the current committee will step down for re-election in line with the club’s governance and committee structure.

The next phase in the club's plans is to build members from the local community and run school clinics in the first term of 2018 to at least ten local primary schools. The commencement of the ALA Quick Stix program is a major priority for the Pirates' grass roots plans.

The Pirates will nominate a Men's Division 3 team in 2018 and work is ongoing to build on the player base to nominate women's and junior teams.

Support:

From the outset, The Alkimos Pirates Lacrosse Club (ALPC) has received support from a wide range of people, business, clubs, government and community groups. Many individuals voiced their support on our Facebook page and in person with the key theme being, "this is what WA Lacrosse needs". The APLC would like to thank everyone who has been vocal in their support and those who have provided tangible donations for the "grow the game" initiative.

Mayor Tracey Roberts of the City of Wanneroo, Sport & Recreation WA and Stockland Land Developers have provided support for the new club's establishment.

LWA and its clubs have proactively backed the initiative with Phoenix Lacrosse Club kicking off a substantial monetary donation, followed by Bayswater, Wanneroo-Joondalup and Kuljak. Wembley's donation of 50 new lacrosse sticks and Wanneroo-Joondalup Modcrosse Club's 30 used lacrosse sticks will have an immediate impact on the Pirate's growth plans combined with LWA and East Fremantle's donation of used goals will mean the club can start real training and come and try days. Kuljak LC has also provided a number of Lacrosse History books to support fundraising activities.

During the LWA Finals Series at Wembley and the National Under 15s Lacrosse Tournament at Bayswater, many families and individuals donated their own lacrosse equipment to ALPC to further assist with building a base of sticks, helmets and gloves for our "new to the sport" members.

The Pirates has received a number of small personal donations with one substantial donor wishing to remain anonymous. Simon and Joel Fleet's Roof Carpentry Business and Darran Booth's Bridgestone B Select businesses have sponsored the club financially. David Jobson's Creative Design Business, The Tank, has subsidised the development of club logos and web design with Lorrin Movick providing social media guidance. Kuljak Secretary, Ian Toy, is providing club governance and documentation support. The Shore Café in Alkimos is supporting the club with a localised meeting place and exposure opportunities.

Wanneroo-Joondalup's School Coordinator, Dennis Holman's, invaluable experience will support the coordination of APLC's schools and Quick Stix programs while remaining the coordinator for Wanneroo-Joondalup.

Wanneroo-Joondalup, Bayswater and East Fremantle have supported the transfer of existing and playing members from their clubs to APLC for the 2018 season.

The APLC's committee and members has not expected the array of backing for the WA Lacrosse community however the generosity is a demonstration of a shared passion throughout the clubs of Western Australia. This demonstration of support is validation that the creation of the Pirates is needed. The people behind the "grow the game" initiative, hope that some inspiration will rub off on others and spark the commencement of other new clubs in WA and wider Australia.

2017 ALRA (WA) ANNUAL REPORT

Evan Walters – President ALRA (WA)

ALRA WA has had another good year with referees on the park, with a majority of senior games covered by ALRA referees this year and junior games by club officials.

We saw a disappointing start to the year with Club officials not being able to complete the required online exam, this was corrected later and we had a better turnout of those doing the online accreditation and I hope this continues well for next year.

ALRA (WA) has been busy again through Blair Fraser in assisting with the junior officiating program run in conjunction with LWA and clubs, thanks to all who took part.

WA referees were well represented this year in the U18 championship in Melbourne with Carole Bowland and David McRae, the Senior championships in Adelaide with 3 referees Kim Panton, Tim Kennedy and Steven McRae, the U15 tournament with new officials in Jon (Sprinkles) Taylor, Robert McTaggart, Leslie Wild, Luke McRae and Lachlan Walker and a few of the older referees stepping in for games. Also to our band of assessors who have had a busy year assessing referees and mentoring the younger referees.

Our Chief Referee, Ian McRae has had a busy year with travel overseas and the organisation of referees and assessors for the under 15's that was a great success for all.

As with players we have referees and assessors vying for positions at the 2018 World Championships in Israel and wish them well in their endeavours.

We head into 2018 with world championships on the horizon having players, referees and spectators attending this event so ALRA (WA) will need your help, with those volunteers who are willing to take on officiating at club level so our next season can be fun for juniors and seniors alike.

WA has now some of the best quality referees in Australia at the moment and we are well on the way to prove that in the next couple of years.

If anybody is keen to take up the whistle then ALRA (WA) will help in training, rule knowledge, on field mentoring and general assistance throughout the game so the experience is a good one.

ALRA (WA) would like to welcome on-board the newest club in WA, The Alkimos Pirates and we wish them all the best and look forward to working with their new officials.

I would now like to take this opportunity to wish everyone a Merry Christmas and festive season and see you all in 2018 for another thrilling year of lacrosse in WA.

KULJAK LACROSSE CLUB (Inc)

2017 KULJAK LACROSSE CLUB (INC)

Bill Barton Snr – President Kuljak Lacrosse Club

I am pleased to inform the lacrosse community of Western Australia that the Kuljak Club has another successful year in its endeavours to support the sport of lacrosse.

This year Kuljak has donated the funds to install shelving and storage tubs at Lacrosse WA Headquarters to house historical material the Association already has and will collect in the future.

Whiteman Youth Sponsorship was awarded to 2 young people during 2017. This is a financial award to the child, grandchild or great-grandchild of a Club member who gain selection in youth teams.

The recently published book "A History of the Western Australian Lacrosse Association" is being donated to libraries in Western Australia and the National Library of Australia Canberra ACT by Kuljak.

At our Breakfast in February held at the Hillarys Yacht Club Ted Polglaze (Sport Scientist/Fitness Coach) for the Australian Men's Hockey team, the Australian Women's Water Polo team and the Australian Men's Lacrosse team. He has worked with numerous Olympic medallists, World Champions in sports ranging from Athletics to Equestrian. He is a former lacrosse player (for Subiaco & Wanneroo) and was the Sports Science Advisor for the 1998 and 2014 Australian Lacrosse team. He represented Australia in Bobsleigh for 7 years, including the 1998 Winter Olympics.

Ted spoke at the Kuljak Breakfast of his involvement with the 2014 Australian Men's Lacrosse Team in Denver, USA and the prospects of lacrosse returning as an Olympic Sport.

All attending spoke highly of Ted's presentation and many said this was a Kuljak Breakfast occasion to remember.

The Annual General meeting was held at the Bayswater Lacrosse Clubrooms on Wednesday 19th April 2017. The meeting was well attended, but unfortunately the meeting closed without filling the Club Secretary and Vice Presidents positions. To date these unfilled positions remain.

The Annual Dinner was held in August at RAAFA Langley Hall Bull Creek Drive. Over 50 members and guest enjoyed a top evening with guest speaker (Simon Danby) telling the plans to establish the Alkimos Lacrosse Club. Kuljak has made a \$1000 donation to the Alkimos Club to help with its establishment.

The club continued its Kuljak Medal presentation tradition by funding and awarding the Kuljak Medal to the player voted The Most Valuable Player in the Men's State League Grand Final and the Women's A Grade Final. Congratulations to the winners Cameron Evangehlo and Madison Copeland.

I take this opportunity to remind the Western Australian lacrosse community that the club membership is open to everyone who wishes to stay connected to the sport of lacrosse.

Why not join and support the sport you love.

2017 WA LACROSSE FOUNDATION REPORT

Murray Gates – WALF Chairman

The board of the LWAF is made up of Mr Murray Gates (President LWA) and Mr Bruce Banyard (Director of Women's LWA), with two vacancies.

Interest rates remain historically low in the current investment marketplace and given that our charter is to be foremost prudent in our investment strategy, we continued to invest in solid Term Deposits and in turn received a small interest payment with the ANZ. Our base capital has been preserved by these interest payment(s).

During 2017, the Foundation received no applications for funding.

For future reference the current LWA website provides guidelines for applications and the application form itself.

The LWAF is always open to ideas that promote Lacrosse in WA for the benefit of all clubs in particular or the game in general. We encourage the Lacrosse community to examine these guidelines before making an application.

2017 O.C. Isaachsen Trophy Recipient – Mitchell Kennedy

This year's Australian Lacrosse Association O.C. Isaachsen Trophy recipient was East Fremantle's Mitchell Kennedy. The Isaachsen Trophy is awarded by the ALA to the Fairest and Best player Australia-wide in the most senior men's State competition home and away qualifying round matches, based on votes awarded by match referees.

Mitchell had an outstanding year in lacrosse winning Lacrosse WA's Association Fairest and Best, the Cann-Griffin Trophy for highest point scorer in State League and made the LWA All Stars Team. Mitchell also played an integral role in East Fremantle State League's 10 year drought breaking Premiership win in State League.

Mitchell is currently on the 2018 Australian Men's Squad, the final Team will be competing at the 2018 FIL Men's World Championship in Netanya, Israel.

2017 U18 West Australian Girls' State Team National Champions

This year's 2017 U18 WA Girl's State Team were crowned back-to-back National Champions at this year's 2017 ALA U18 Boy's and Girl's National Championship.

Head Coach Alana McKinlay said "This year's team was a mixture of experience and youth, a fine balance between those wanting to win back to back national championships and those vying to win their first. Each girl contributed exactly what was asked of them during the competition and the ability for all 16 girls to step up and be accountable was, I believe, the driving force behind their success. It was a tough week with both New Zealand and Victoria challenging us for wins but we managed to go 5-0 and make a grand final appearance. The grand final game was when the girls had to give it their all, Victoria wasn't going to let us have an easy win, but the cool heads of the older girls in the team combined with the speed and determination of the new players allowed us to come out as the 2017 under 18 national champions once again. Elizabeth and I couldn't be more proud of this team, they are a credit to their families, their state and themselves."
